

RESUME

Name : **Swapnil Bajrang Pingle**
Address : A/403 Tai nana Sadan, Hanuman Nagar,
Opposite Hanuman Mandir, Katemanivali
Kalyan (E)- 421306
Contact No. : 9892121327 , 8928552240
E-Mail Address : sppingle@gmail.com
Date of Birth : 21st March 1990
Gender : Male
Marital Status : Married
Domicile : Maharashtra
Nationality : Indian
Languages known : English, Hindi, Marathi
Educational Qualification : B.E.Mechanical Engineering

Objective:

To grow along with the organization and become a professional of excellent repute by effectively contributing towards the goal of the organization.

Academic details:

Qualification	Board/University	Year
B.E. in Mechanical Engineering	Savitribai Phule- Pune University	2016
DIPLOMA in Mechanical Engineering	University of Mumbai	2011
H.S.C.	University of Mumbai	2008
S.S.C.	University of Mumbai	2006

Software skill:

Software course- SOLID WORK, AUTO CAD, CATIA V5

Computer course- Good command in Microsoft office(Excel, power point, word)

Quality control course- N.D.T LEVEL 2 (Ultrasonic test , Radiographic test, Magnetic particle testing , Penetrante testing)

Personal Strengths:

- Quick learner.
- Elegant team player.
- Willing to take responsibility.
- Time Oriented.

Work Experience:

(1) CURRENTLY WORKING IN Indian Oil Sky-Tanking LTD. AS OPERATION OFFICER . Joining Date - 22 April 2019 to till now

EXPERIENCE DETAILS

- With reference to CAR, section 2, Series E, certified as Operation Officer in Aircraft refueling, Operation quality control, safety and field testing of Aviation Fuel (jet A-1).
- Directly responsible for and supervising the performance of a cross- functional team in Aviation Fueling Operations with a focus on Safety & Quality.
- Collaborated with General Manager in maintaining continuous improvement in Workplace Safety & Aviation Fuel Quality.
- Responsible for efficient Receipt, Storage and Delivery of Aviation Turbine Fuel (JET A-1).
- A strong understanding of Aviation Fuel Quality Control, Assurance & Operations Manual approved by Directorate General of Civil Aviation (DGCA), Civil Aviation Department, Govt. Of India.
- Responsible & led the team for timely Receipt of JET A-1 through Pipeline & Tank Trucks.
- Leading the team for Proper Pipeline Transfer Co-ordination- Objective is to co-ordinate with suppliers for prompt and effective co-ordination
- Led the team in Quality Control Audits conducted by Airlines, DGCA (Directorate General of Civil Aviation), IFQP (International Fuel Quality Pool) Inspectors, fuel suppliers.
- Supervised the team in Maintaining Hydrant line pressurized at Terminal 2 & Terminal 3 of Delhi Airport.
- Mentored & trained New Trainees, coaching them for all aspects of Fuel Quality Control & Tank Farm Operations.
- Conducted half yearly performance appraisals & Q-checklist for the team.
- Responsible for accounting at day close, preparation of all reports & sending to all stake holders & suppliers. Aircraft refueling and defueling operation of Hydrant Dispenser (Into plane operation) & Refuellers, with Quality control signatory conducted by DGCA To Maintain Quality procedure of Aviation Fuel & Quality control system, following by the company standard manual this is certified by the DGCA.
- Experience in Preventive Maintenance checks and Aviation Equipment's Maintenance for mechanical, knuematical, electrical, hydraulic systems, followed by the fabricators technical manual.
- Problems Rectification and Troubleshooting of the Aircraft refueling equipments.ie parts used in Aviation fueling module
- Maintain the standard periodically safety checks of Aviation Equipment modules for continuity of grounding and bonding, Brake interlock systems,D1 Nozzle, HEPCV, AFPCV, DMC, Aviation Hoses, Flow meters calibration, Millipore tests followed by the company standard manual and maintain records.
- Exposure to face inspections, conduct by customers, suppliers, DGCA and IATA
- Updating all fuelling receipts in the records.
- Experience in One man Aircraft refueling with Refueller and Hydrant dispenser.
- Have independently troubleshoots / recovered equipment from breakdowns / accidents etc., efficiently with utmost safety, practicing our all laid in procedures.
- Carryout Internal inspection of storage tanks - Refuellers.
- Carryout inspection / replacement of filter coalescer / monitor elements.
- Plan / generate all preventive maintenance jobs, on monthly basis on Oracle - EAM, assign work orders, complete & close jobs, to meet the operational requirements and reduce breakdowns.
- As per company's procedure to meet audit requirements.
- Handled local and overseas manufacturers, suppliers, and vendors.
- Have trained new operators on maintenance and troubleshooting of refueling equipment and its operations during refueling.
- Carried out modification on refueling equipment and depot - concerning safety.

(2) WORK EXPERIENCE IN D.H. EXPORTS PVT.LTD. As (PRODUCTION ENGINEER + DESIGN ENGINEER)

Joining date -7 April 2017 to 20 April 2019

- Working As PRODUCTION ASSISTANT MANAGER profile
- Handle calibration report, ISO document (9001:2008, 9001:2015)
- To ensure the inspection and Inspection sheets as per the original.
- To control and communicate with PPC for unconformities such as material Shortage etc
- To control over the location and issue of materials to line as per the original.
- Daily preparation of Production Vs Schedule and Losses Summary.
- Ensure compliance of systems like 5S
- Handling TENSILE MACHINE, HARDNESS MACHINE (Brinell Hardness M/C, Rockwell hardness M/C) HRB/HRC ,P.M.I M/C (PRIMARY MODE OF INSPECTION), ACID ETCHING JOB TEST, ROUGHNESS CALCULATOR M/C, RADIO ACTIVATION M/C (measure radiation).
- **CERTIFY with INTERNAL AUDITOR UNDER ISO 9001:2015**
- Maintain production as base on daily target. Making report and calculate efficiency of machine as on production.
- Also making drawing as per customer requirement and done following task
 - Developing cad model with help of client inputs.
 - Detailed development of individual parts.
 - Making necessary changes with the help of client requirements.
 - Preparation of 2D drawing for manufacturing.
 - Assembly.

(3) Worked experience in CELITE TYRE PVT. LTD. (20 November 2016 to January 2017)

JOB PROFILE IN CELITE TYRE PVT LTD. COMPANY-

- Working as QA profile in planning, conduct and monitor testing and inspection of materials as per QMS.
- Collect and compile statistical quality data.
- Documents internal audits and other quality assurance activities.
- Carrying out internal inspection of the products as per QMS to ensure that the product meet the required standards.
- Working on Microsoft word and excel software to make the reports as per requirements. Carrying out dimensional analysis of products using various measuring instruments vernier calliper ,micrometers ,dial gauges etc
-

(4) Worked in Bajaj auto Pvt Ltd. (Diploma trainee engineer 1 August 2013 to 31 July 2014)

JOB PROFILE IN Bajaj Auto Pvt. LTD. COMPANY-

- Meet the Production Target day-to-day basis. Analyze & immediate action of Production difficulties.
- Monitoring the defects on Q.stations (such as Drive test, E-cos test, Roller test water leakage test, CP6 & CP8 etc, root cause analysis and then taking counter measure.
- Preparation of daily Torque Calibration & Torque Audit Reports.
- Control of Special Processes to ensure only skilled workmen do the special process.
- Implementation of TPM on shop floor.
- Implementation of Kaizen and Pokayoke at all possible stages on Line.
- Preparing the Process sheets from process department and ensure the actual with given.

Project Detail: “*TRACKING OF SOLAR PANEL*”

In this project we track the solar panel by using hydraulic system and returning position occurred by using returning gear mechanism.

Publications:

I have published one research paper on **Tracking of solar panel by using hydraulic system” Paper I.D- MECH_JCOE_JCON2016_527** [NATIONAL CONFERENCE ON EMERGING TRENDS AND APPLICATION IN ENGINEERING & SCIENCE (ETA-EAS)]

Extracurricular activities:

- I am participated in state level project fair 2016

Personal Intrests: Sports, Traveling & Social work.

I solemnly declare that the above furnished information is true and correct to the best of my knowledge and belief.

Yours truly

SWAPNIL B. PINGLE
