My dear fellow Shareholders,

Today the topic of discussion the world over is Impact of Covid 19 and as we are all aware there has been lockdown and unlocking going on in various parts of India and the world as a whole. The economies of all countries have gone for a toss, businesses are down, losses are piling up, unemployment is staring in the eyes. Light at the end of tunnel is that research for vaccines are on and its is expected soon however today the mantra is stay home stay safe and inline with this our Company has devised a work from home policy to enable the operations of the company to continue. The US-China trade war is accelerating and tensions between India China post the border skirmish have risen and there is a ban on Chinese products momentum in the country. The government of India and the various states are trying their best to get the situation under control. With the unlock phases now businesses are slowly opening up but it will take time to recover to its full potential. There are several challenges viz, labour movement, unemployment uncertainty of the spread of virus, etc however we are all confident that things will improve and with the new policies and stimulus package announced will herald a new era of growth for the Indian economy.

The year under review has not been good for the Company as there have been various setbacks, one was that there was no movement in the NSEL matter where the monies of the company are blocked however the company is hopeful that the Representative suit filed by us in the Hon'ble High Court of Bombay will culminate in the company receiving its dues at the earliest.

The merger of the two subsidiaries, M/s Modern India Property Developers and M/s Modern India Free Trade Warehousing Pvt Ltd has been completed with the receipt of the NCLT order in July 2019. The construction activity at its South Mumbai location has commenced but due to the pandemic and the migration of labour and lockdown activity in the last quarter came to a standstill and we expect the same to recommence soon. The Company is also in the process of taking clearances for its Boisar project.

The renewable energy sector is also hit as with the lockdown, the consumption of power by the industries, malls, etc the main energy guzzlers came to a standstill so the power which once used to fetch a price of Rs 5+ could not be sold in open market and hence the earning of the company were hit.

Your company's subsidiary M/s Verifacts Services Pvt Ltd has achieved a turnover of ` 20.19 crores against 18.86 crores in the corresponding previous year, upmarginally. Several new initiatives are in the pipeline and is expected to yield good results in the coming years. Verifacts is undertaking many new steps to retain its competitive advantage that it enjoys.

Your overseas subsidiary M/s Modern International (Asia) Ltd (MIAL) has registered a turnover of US \$ **15,875,949** for the year 2019-20 as against US\$ 13,755,023 for the year 2018-19. MIAL has set out aggressive growth plans and they are exploring opportunities in other emerging markets in Asia and in furtherance they have also opened a wholly owned subsidiary in Vietnam.

The company on a consolidated basis has achieved turnover of `193.21 crores against `206.06 crores in the year 2018-19. Unfortunately the company has sustained a loss of `19.30 crores after tax in the past financial year; however we are optimistic that these losses will be contained and the Company will see a turnaround once the project commences. Due to the losses the Directors have not recommended a dividend for the year 2019-2020.

As always, we shall continue to strive to improve our performance.

Best Wishes,

Vijay Kumar Jatia

Chairman & Managing Director

NOTICE

NOTICE is hereby given that the **86th Annual General Meeting** of the Members of Modern India Limited will be held on **Friday), the 21st day of August, 2020 at 4.00 pm** through Video Conferencing ("VC") / Other Audio Visual Means ("OAVM") to transact the following business:

Gauri Jatia, Director of the Company) to hold and continue to hold an office or place of profit in the Company for a period of 3 years as President of the Company with effect from 1st October, 2020

RESOLVED FURTHER THAT Shri Mudit Jatia, President shall receive remuneration ranging from ` 84 lakhs p.a to ` 1.25 crores on a cost to company basis spread over a period of 3 years as may be decided by the Board of Directors from time to time keeping in view the various perquisites provided including the amount of allowances, benefits, incentives, amenities, facilities and other perquisites provided by the Company or the cost whereof is borne by the Company, including leave encashment, contribution to provident fund, gratuity fund, superannuation fund, group insurance, etc. as are applicable to other employees in equivalent salary scale or grade.

RESOLVED FURTHER THAT the Board shall have the authority from time to time (a) to make applicable to Shri. MuditJatia such revisions in the aforesaid salary scale or grade together with revisions in such allowances, benefits, amenities, facilities and other perquisites including contribution to provident fund, gratuity fund, superannuation fund, etc. as are introduced from time to time in respect of employees of the Company in equivalent salary scale or grade; and (b) to promote him to any higher position/designation or salary scale or grade in due course together with such allowances, benefits, amenities, facilities and other perquisites including contribution to provident fund, gratuity fund, superannuation fund, etc. as are applicable to other employees in equivalent salary scale or grade, with such annual increments as may be permissible under the rules or practices adopted by the Company or as the Board may deem fit and proper subject to the overall cost to the company not exceeding ` 1.25 crores per annum at any time.

NOTES:

- 1** In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide its circular dated May 5, 2020 read with circulars dated April 8, 2020 and April 13, 2020 (collectively referred to as “MCA Circulars”) permitted the holding of the Annual General Meeting (“AGM”) through VC / OAVM, without the physical presence of the Members at a common venue. Further, the Securities and Exchange Board of India (‘SEBI’) vide its circular dated 12th May 2020 (‘SEBI Circular’) has also granted certain relaxations. In compliance with the provisions of the Companies Act, 2013 (“Act”), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) and MCA Circulars, the AGM of the Company is being held through VC / OAVM.
- 2** The relative Explanatory Statement pursuant to Section 102 of the Act, setting out material facts concerning the business under Item Nos. 4 and 5 set out above and details under Regulations 26(4) and 36(3) of the Listing Regulations and Paragraph 1.2.5 of the Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of the Directors seeking appointment and/or re-appointment at the AGM are annexed hereto.
- 3** Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip including route map are not annexed to this Notice.
- 4** Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Company at info@modernindia.co.in
- 5** The Register of Members and Share Transfer Books of the Company will remain closed from 07.08.2020 to 21.08.2020 (both days inclusive), for record purposes.
- 6** Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
- 7** As per the provisions of Clause 3.A.III. of the General Circular No. 20/2020 dated 5th May 2020, the matter of Special Business as appearing at Item Nos. 3 and 4 of the accompanying Notice, is considered to be unavoidable by the Board and hence, forming part of this Notice.
- 8** **The ISIN of the Equity Shares of ` 2/- each is INE251D01023.**
- 9** **As per Companies (Management And Administration) Rules, 2014 read with chapter VII of the Companies Act, 2013, the shareholders of the company have to furnish their information as per annexure attached herewith and shareholders who are yet to submit the same are requested to submit it to Satellite Corporate Services Private Limited – Registrar and Transfer Agent of Modern India Limited on or before 08th August, 2020.**

In order to provide protection against fraudulent encashment of dividend warrants, Members are requested to intimate the Company's Registrars & Transfer Agents **particulars of their Bank Account viz. Name of Bank, Name of Branch, Complete address of the Bank with Pin Code Number, Account type – whether Saving Account or Current Account and Bank Account Number.** Members are also requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number to their DPs in case the shares are held by them in electronic form and to the Company's RTA i.e. Satellite Corporate Services Pvt Ltd in case the shares are held by them in physical form.

- 10 Members are hereby informed that Dividend which remains unclaimed/unpaid for a period of 7 years from the date of transfer to unpaid Dividend Account has to be transferred as per the provisions of Section 124 of the Companies Act, 2013, by the Company to The Investor Education & Protection Fund (IEPF) constituted by the Central Government under Section 125 of the Companies Act, 2013. The unclaimed Dividend amounting to `4,36,638.50 (approx) for the year 2012-2013 is due to be transferred to the IEPF w.e.f **21st August, 2020**. For which Company Had intimated to all the Shareholder through Newspaper publication which was published in Business Standard (English) and Mumbai Lakshdeep (Marathi) on Saturday, 20th June, 2020 advising them to claim their unclaimed dividend for the year 2012-13 latest by 12.08.2020 to avoid transfer of dividend/shares and requested to correspond with the Company's Registrars & Transfer Agents, along with full particulars
- 11 Members desirous of making nomination as permitted under Section 72 of the Companies Act, 2013 in respect of the physical shares held by them in the Company, can make nominations in Form SH-13, which can be procured from the Registrar and Share Transfer Agent M/s Satellite Corporate Services Pvt. Ltd. The Members holding shares in demat form may contact their respective depository participants for such nominations.
- 12 Members who hold shares in physical form in multiple folios in identical names or joint accounts in the same order of names are requested to send the share certificates to the Company's Registrars and Transfer Agents, M/s. Satellite Corporate Services Private Limited (RTA), for consolidation into a single folio.
- 13 **Unclaimed Share Certificates:** Pursuant to Regulation 39(4) read with Schedule VI of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015, there are no unclaimed shares. It may be noted that there are 3,68,320 shares in 748 folios which are lying unclaimed **post sub-division** of shares from face value of `50/- to `10/- and subsequently from `10/- to `2/-, in spite of sending reminders.

Furthermore, In terms of Section 124 of the Companies Act, 2013, read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, shares of the Company in respect of which dividend has remained unclaimed or unpaid for seven consecutive years or more, are required to be transferred by the Company to the Investor Education and Protection Fund (IEPF) of the Government of India.

Communication was sent by the Company to the concerned Members who had not claimed their dividend for seven consecutive years or more providing them an opportunity to claim such dividend. There are 15,521 equity shares of 40 folios upto 31st March, 2020 which is due to be transferred to the demat account of the IEPF. The said shares is due from the Financial year 2012-13 for seven consecutive years will be transferred to the demat account of the IEPF Authority in the month of September, 2020.

Shareholders may note that the shares/dividend transferred to IEPF can be claimed by making an application to the Authority in Form IEPF 5 (to be filed online) at the following link <http://iepf.gov.in/IEPFA/refund.html>

- 14 As per the General Exemption granted by the Central Government vide the General Circular No. 2/2011 dated 08.02.2011, copy of Balance Sheet, Statement of Profit and Loss, and Boards Report and the Report of the Auditors of the Subsidiary Companies are not attached with the Annual Report of the Company. However, the Annual Reports of all the Subsidiary Companies are available for inspection at the Registered Office of the Company to any Member of the Company. Further the Company will make available these documents to any Member upon request and the same is made available on the official website of the Company i.e www.modernindia.co.in
- 15 In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and Annual Report 2019-20 will also be available on the Company's website www.modernindia.co.in, websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com, and on the website of CDSL.
- 16 As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, Satellite Corporate Services Pvt Ltd for assistance in this regard.
- 17 In compliance with the provisions of Section 108 of the Companies Act, 2013 and the Rules framed thereunder, and Regulation 44 of Securities And Exchange Board of India (Listing Obligations And Disclosure Requirements) Regulations, 2015, the Company is pleased to provide the Members the facility to cast their vote electronically, through the e-voting services provided by CDSL, on all the resolutions set forth in this Notice. The facility of casting votes by a member using remote e-voting system before the Meeting as well as e-voting during the AGM, will be provided by CDSL.
- 18 A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on the cut-off date i.e only shall be entitled to avail the facility of remote e-voting before the AGM as well as e-voting during the AGM. Any person who is not a member as on the cut-off date should treat this Notice for information purpose only. Any person, who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the User ID and Password by sending a request at helpdesk.evoting@cdslindia.com
- 19 The Chairman shall, at the AGM allow voting by use of e-voting system for all those Members who are present during the AGM through VC/OAVM but have not cast their votes by availing the remote e-voting facility before the AGM. The e-voting module during the AGM shall be disabled by CDSL for voting 30 minutes after the conclusion of the Meeting
- 20 All documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection at the Registered Office of the Company during normal business hours (10.00 a.m to 5.00 p.m) on all working days except Saturdays and Sundays (including Public Holidays) up to the date of the Annual General Meeting. Members who wish to inspect the relevant documents referred to in the Notice can send an email to info@modernindia.co.in to set up a prior appointment to come and inspect the said documents.

By Order of the Board of Directors

REMOTE E-VOTING INSTRUCTIONS

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, , the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.modernindia.co.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.

THE INTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The voting period begins on 18th August,2020 at 9.00 hrs and ends on 20th August,2020 at 17.00 hrs .During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 14.08.2020 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the Member, he shall not be allowed to change it subsequently. The voting rights of Members (for voting through remote e-voting before the AGM and e-voting during the AGM) shall be in proportion to their shares held in the paid up equity share capital of the Company as on cut-off date i.e. 14.08.2020
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) The shareholders should log on to the e-voting website www.evotingindia.com.
- (iv) Click on "Shareholders" module.
- (v) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- (vi) Next enter the Image Verification as displayed and Click on Login.
- (vii) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- (viii) If you are a first time user follow the steps given below:

	For Shareholders holding shares in Demat Form and Physical Form
PAN	<p>Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)</p> <ul style="list-style-type: none"> Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number which is printed on Postal Ballot / Attendance Slip indicated in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.</p> <ul style="list-style-type: none"> If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

- (ix) After entering these details appropriately, click on “SUBMIT” tab.
- (x) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (xi) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xii) Click on the EVSN for the relevant **MODERN INDIA LIMITED**
- (xiii) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xiv) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xv) After selecting the resolution you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xvi) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xvii) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xviii) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xix) Shareholders can also cast their vote using CDSL’s mobile app “**m-Voting**”. The m-Voting app can be downloaded from respective Store. Please follow the instructions as prompted by the mobile app while Remote Voting on your mobile.

Total comprehensive Income	(2159.76)	(535.00)

GENERAL INFORMATION ABOUT THE COMPANY

The Company has various business verticals inter alia Real Estate and Infrastructure Development, Power Generation, Background Verification, Commodities Trading, International procurement solutions amongst others.

PERFORMANCE .

The economic impact of the 2019-20 coronavirus pandemic in India has been largely disruptive.

Our results have been impacted in a very severe manner. The first three quarters were average and the Company was looking forward to a good last quarter, however the pandemic struck and all business worldwide went for a toss and all economic activity came to a grinding halt with lock downs being announced by all countries to counter the pandemic. In India, our operations were disrupted right from Feb 2020 and with the restriction in March and finally the overall lockdown post 22nd March 2020 all activity stopped. Our performance was also impacted as both our subsidiaries also faced the blunt of the pandemic. Hiring was down to a trickle and this affected the business operation of Verifacts Services. Our subsidiary in HongKong was also affected as China too was under lockdown and business was shut to tackle the outbreak of the virus. The world is wary of China and its products and hence business of the company has been affected. However it should be noted that the Management has taken all necessary action to tackle this adverse phase, the priority is its human resources which is being cared for and despite the downward trend in revenues no employee has been terminated. The Management is of the view that once the lockdown

opens up and the economy slowly gains steam, our Company will be back with a new vigour and this will reflect in its performance.

The performance of the Company during the year under review the revenue from operation was Rs4465.30 as compared to Rs7658.17 the previous year 2018-19. Company has incurred losses to the tune of Rs (2156.44) during the year under consideration which is comparatively very high to the loss suffered in the year 2018-19. This loss is mainly due to fair valuation and reversal of differed tax assets.

EVENTS DURING THE YEAR UNDER REVIEW

Update on Construction at Modern Centre:

During the year under review, Shore piling, excavation work, foundation work is over in respect of one Tower. Now Basement RCC work is in progress. Company has also got approval for 3 FSI plans. MCGM and Environment clearance has also been received. Presently 1.33 FSI plans are operational and in due course of time plans for remaining FSI plan will be made operational gradually based on the progress of construction activities at the site.

About 150 to 200 construction workers were working at site besides team of Engineers and Contractor. One person of the Company undertakes visit to the site on weekly basis and takes photographs of the site and keeps the Company updated about the progress at site.

However now the projects have been delayed due to the coronavirus (COVID-19) pandemic as migrant workers left cities and supply of construction material has stopped. As a result, construction activities are set to be delayed due to the shortage of labour and a more pronounced liquidity crisis.

Update on NSEL crisis:

As informed earlier our Company along with three others had instituted a Representative Suit in the Hon'ble Bombay High Court inter alia against 63 Moons Technologies Limited (erstwhile Financial Technologies (India) Limited (FTIL)). During the year under review SLP (special Leave Petition) was filed by EOW against the order of Bombay High Court order in the matter of applicability of MPID to NSEL was yet to be heard by the Supreme Court of India. However status quo ordered in the matter was continuing. L. J. Tanna and others were pursuing the matter of release of funds lying with Competent Authority, High Court appointed Committee, MPID Court and Bombay High Court to the investors, however there was no clarity about the time and mode of payment in favour of investors. Main motion pertaining to recovery of sums is yet to be heard.

Update on Solar Power Plant:

The crisis caused by the COVID-19 have considerably disrupted our operations in this area. Company's solar power generation unit is situated at Satara and is operating at its capacity however since the national lockdown has been implemented the off take off power has come to an halt and therefore the company is now supplying the same to the grid, which in turn results in lesser revenue generation. REC, Market has fallen through and rates have crashed as there are almost negligent buyers due to lockdown which has led to closure of economic activities.

Update on Investments:

During the year under review Modern International (Asia) Limited, a wholly owned subsidiary of the Company has incorporated a new company in Vietnam naming it Modern International (Vietnam) Company Limited with the investment of USD15000 In view of this, Modern International (Vietnam) Company Limited being subsidiary of the Modern International (Asia) Limited now becomes a step down subsidiary of the Modern India Limited.

As informed earlier that Company has made an investment in Crediwatch Informations Analytics Private Limited. During the year under review Series A funding of US \$ 3.2 Million is received by the Crediwatch during October, 19 at pre money valuation of `74Crores.

Modern's CCPS conversion into shares of the company is freezed @ `806.31 per share. New Investor ARTIS Lab and Abstract Ventures have subscribed to CCCP to be converted into shares @ `890.18 per share.

Update on CSR activities:

Considering losses in financial year 2017-18, 2018-19, 2019-20, no funds could be allocated for Corporate Social Responsibility for the financial year 2020-21. However, the Company intends to carry out Corporate Social Responsibility activities in due course of time.

CHANGE IN THE NATURE OF BUSINESS, IF ANY

There are no changes in the nature of Business during the year under review.

EVENTS SUBSEQUENT TO THE DATE OF FINANCIAL STATEMENTS

The operations of the Company were disturbed due to the Corona Virus Pandemic because of which lockdown was imposed by the government as a result it affected our financial results apart from what has stated herein, no major event has occurred subsequent to the date of financial statements.

DIVIDEND AND RESERVES

Despite the losses incurred in the earlier year, your directors have been striving and have paid dividend without fail however due to the current scenario and losses incurred during the year under review, the Management is of the view that no dividend be paid and that the funds of the company be preserved and be utilised to restart the business activities post the lockdown, the Directors of the Company also are in agreement that the funds and resources of the company should be preserved and reinvested back into the business for its growth and better returns in future. Therefore in view of this no Dividend is recommended for the year 2019-20.

The Company has free reserves (including retained earnings) of `(1,168.16) lakhs as on 31st March, 2020.

BOARD MEETINGS AND ATTENDANCE

Details of the Directors, their meetings, attendance etc have been given in the Corporate Governance Report (ANNEXURE -6) which forms a part of this Annual Report.

DIRECTORS AND KEY MANAGERIAL PERSONNEL

The Companies Act, 2013 requires that the Independent Directors of the Company meet at least once a year without the presence of Executive Directors, the Non Executive Director or the Management or the Promoters of the Company.

SUBSIDIARY COMPANIES

MODERN INTERNATIONAL (ASIA) LIMITED, HONG KONG (MIAL)

Modern International (Asia) Limited [MIAL] is actively involved in the B2B segment Business. MIAL sources products viz textile, machinery, furniture, luggage, building /construction material, gift articles etc primarily from China and other Countries and exports it to its clientele in other countries. In the Beginning of the year 2019-20 Company saw an increase in the revenue and profits earned by the Company despite the downturn in the Chinese economy. However things started getting worse when COVID-19 hit the Country and soon spread to the other countries. Also due to pandemic many shipments were deferred leading to weak quarter 4 results.

The Company achieved sales/ turnover of **US \$ 15,875,949** for the year 2019-20 as against US\$ 13,755,023 for the year 2018-19 .Efforts are being taken to increase the turnover in the coming year. The Company will continue to monitor the situation closely and take appropriate action as per regulatory guidelines.

STEPPDOWN SUBSIDIARY - Modern International (Vietnam) Company Ltd

As informed earlier, during the year under review Modern International (Vietnam) Company Ltd which was incorporated on 17th October 2019 and it became step down subsidiary of our Company During the year Modern International (Vietnam) Company Ltd has suffered a loss of VND 88,799,588. The Company is yet to start full operations and this loss is due to the general expenses incurred in setting up the organisation and its administration.

VERIFACTS SERVICES PRIVATE LIMITED

Verifacts Services Private Limited is a human resources consulting company providing background/ antecedents verification services. The Company has started various other essential services like online chat facility to interact with existing and prospective clients. Moreover, the Company is under negotiations with some of the giant corporate entities for extending their services. As informed earlier that Modern India Limited acquired remaining 24% stake in Verifacts Services Private Limited therefore it is a wholly-owned subsidiary of Modern India Limited.

Due to COVID-19 pandemic, there is reduced hiring at this moment by client companies and this has had a negative impact on our revenue generation due to which quarter 4 results were affected and this is reflecting in the financial results for the year ended 31st March, 2020. It is important to note that during the current financial year, the clients are being serviced by the team under the work from home policy wherever possible and the company has resumed services in Bengaluru after the state government has eased lockdown restrictions. The operations are being carried out in accordance with the guidelines issued by the regulatory.

During the year under review, the Verifacts has achieved a marginal increase in turnover ` **2,019.48 lakhs** as compared to ` **1,886.39** lakhs during the corresponding previous year. The profit after tax is ` **49.39** as compared to ` **107.64** lakhs in the corresponding previous year. The turnover has increased by 7.06% and the profit after tax has decreased by 53.12% due to increase in finance and depreciation expenses. The Company's strategic business decisions are showing positive results and it is expected that it will show an upward march.

ASSOCIATE COMPANIES

The Company does not have any associate companies nor does it have any existing joint venture as on 31st March, 2020.

[Details of the Companies which have become / ceased to be its Subsidiary/ JV/ Associate Company.](#)

During the year no other company became / ceased to be the subsidiary / JV / Associate Company. It should be noted that during the year the Company received the order of merger from NCLT where by two subsidiaries namely Modern India Free Trade warehousing Pvt Ltd and Modern India Property Developers Ltd merged with the company and therefore the company now has only two fully owned subsidiary and one step down subsidiary.

Details of existing subsidiaries are given below:

Form AOC-I

(Pursuant to first proviso to sub-section (3) of section 129 read with rule 5 of Companies (Accounts) Rules, 2014)

ANNEXURE-B

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE, DEVELOPMENTS AND OUTLOOK

The COVID-19 pandemic is inflicting high and rising human costs worldwide, and the necessary protection measures are severely impacting economic activity. As a result of the pandemic, the global economy is projected to contract sharply by -3 percent in 2020, much worse than during the 2008-09 financial crisis. In a baseline scenario--which assumes that the pandemic fades in the second half of 2020 and containment efforts can be gradually unwound—the global economy is projected to grow by 5.8 percent in 2021 as economic activity normalizes, helped by policy support. The risks for even more severe outcomes, however, are substantial. Effective policies are essential to forestall the possibility of worse outcomes, and the necessary measures to reduce contagion and protect lives are an important investment in long-term human and economic health. Because the economic fallout is acute in specific sectors, policymakers will need to implement substantial targeted fiscal, monetary, and financial market measures to support affected households and businesses domestically. And internationally, strong multilateral cooperation is essential to overcome the effects of the pandemic, including to help financially constrained countries facing twin health and funding shocks, and for channeling aid to countries with weak health care systems.

The economic impact of the 2019-20 coronavirus pandemic in India has been largely disruptive. The World Bank and credit rating agencies have downgraded India's growth for fiscal year 2021 with the lowest figures India has seen in three decades since India's economic liberalization in the 1990s. The former Chief Economic Advisor to the Government of India has said that India should prepare for a negative growth rate in FY21 and that the country would need a ₹10 trillion stimulus to overcome the contraction. However, the International Monetary Fund projection for India for the Financial Year 2021-22 of 1.9% GDP growth is the highest among G-20 nations. Within a month, unemployment rose from 6.7% on 15 March to 26% on 19 April. During the lockdown, an estimated 14 crore (140 million) people have lost employment. More than 45% of households across the nation have reported an income drop as compared to the previous year.

The Indian economy was expected to lose over ₹32,000 crore (US\$4.5 billion) every day during the first 21-days of complete lockdown which was declared following the coronavirus outbreak. Under complete lockdown, less than a quarter of India's \$2.8 trillion economy was functional. Up to 53% of businesses in the country were projected to be significantly affected. Supply chains have been put under stress with the lockdown restrictions in place.

The World Bank and the International Monetary Fund (IMF) warned that the virus is pushing the world economy into a recession worse than that after the 2008 financial crisis. Moody's downgraded India's GDP growth rate forecast for 2020 from 5.5% to 2.5%. A United Nations Conference on Trade and Development (UNCTAD) report titled *The Covid-19 Shock to Developing Countries* pleaded "governments to do whatever it takes" to stop economic contraction becoming a recession or worse, a prolonged depression, and to protect the poorest.

On 4 April, 2020 former Reserve Bank of India chief Raghuram Rajan said that the coronavirus pandemic in India may just be the "greatest emergency since Independence"

However despite the scenario, has to be noted that though India today ranks as the 5th nation with the no of corona patients, however our fatality rate is one of the lowest and our recovery rate is rising and today more than 50%. The Government of India on its own has provided a stimulus package of over Rs 20 lakh

crores to kick start the economy and give a fresh impetus to growth, currently we are in an unlock down phase and the economy is slowly opening up with various different sectors opening up and activity rebooting.

OPPORTUNITIES AND THREATS

THE REAL ESTATE BUSINESS

Real Estate is one of the key driving factors behind the growth of the **Indian Economy** and plays a pivotal role in the nation's GDP growth. The year 2019-2020 has been a period of ups and downs for the Indian real estate sector. The sector witnessed the impact of the ongoing NBFC crisis resulting in liquidity squeeze and the slow pace of recovery in sales. On the other hand, the successful launch of India's first Real Estate Investment Trust (REIT) opened new avenues for investments while multiple government sops provided relief to the housing sector.

If we look back at 2019, we can not deny that the government did not make sincere efforts to strengthen the sector. A series of reforms and policy changes were adopted. Some of them are:

- Reducing GST rates to 1% for affordable homes and 5% for under-construction flats/apartments
- The announcements about NHB raising liquidity to the housing finance companies
- The government slashed the corporate tax rate to 25.17% from 30% for existing Companies, and to 15% from 25% for new manufacturing companies etc.

Housing sales in 2019 saw a modest 4-5% annual growth with over 2.58 lakh homes sold during the year. New housing launches in 2019 saw an 18-20% annual growth with over 2.3 lakh units.

As per reports, office leasing increased by more than 30% annually to cross 47 million sq.ft. during the first three quarters of 2019, exceeding its previous high of 2018. The leasing exercise reached about 15.4 million sq.ft. during Q3 2019, rising by nearly 23% on an annual basis. Commercial office space also continued to be the most sought-after asset class.

However due to ongoing Covid19 outbreak and its impact the sentiment in real estate are at its all-time lowest level in the quarter ended March 2020. Both residential and commercial real estate sectors are expected to be hit in term of launches, sales and prices, showed a Knight Frank India survey.

India's real estate sector is estimated to face losses to the tune of as much as Rs 1 lakh crore by the end of the current financial year (2020-21) due to the COVID-19 pandemic. Real estate projects have been delayed due to the corona virus (COVID-19) pandemic as migrant workers have left cities and supply of construction material has stopped. As a result, construction activities are delayed due to the shortage of labour and a more pronounced liquidity crisis.

TRADING

There is decline in exports mainly due to the ongoing global slowdown, which got aggravated due to the current Covid-19 crisis. The latter resulted in large scale disruptions in supply chains and demand resulting in cancellation of orders. Fabrics, yarn, luggage, furniture, building material and other merchandise are the drivers for improved operations. During the year under review we have achieved sales of US \$ 15,875,949 in our subsidiary Modern International (Asia) Limited which is based in Hongkong, inspite of China facing a slowdown in its economic activities.

While the gloom and doom surrounding COVID-19 is palpable, the crisis might also throw up some great opportunities for India. There are already reports of several Western manufacturers looking at moving their factories out of China. Many Indian chemical producers have gone on record at having received enquiries from Western manufacturers who earlier never used to look towards India as a source. Tapping these opportunities, however, will require some serious innovation on the policy front. Indian policymakers need to hunker down and plan economic assistance that will not only help India's export sector survive the immediate crisis, but also retain stability and resume growth in the medium to long-term.

SOLAR POWER

Solar energy has experienced spectacular growth over the past two decades. But the crisis caused by the COVID-19 has considerably disrupted this momentum. More than ever, governments will be central in tackling these challenges and determining the pace of deployment of solar energy in the near future. Stimulus packages aimed at getting the global economy back on track will be particularly important.

The crisis caused by the COVID-19 have considerably disrupted our operations in this area. Company's solar power generation unit is situated at Satara and is operating at its capacity however since the national lockdown has been implemented the off take off power has come to an halt and therefore the company is now supplying the same to the grid, which in turn results in lesser revenue generation. REC, Market has fallen through and rates have crashed as there are almost negligent buyers due to liquidity crunch in market.

Segment wise Performance

Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment.

Revenue and expenses which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under "Un-allocable/Corporate".

There are no inter-segment revenues and, therefore, the basis of their measurement does not arise.

(` . In Lakhs)

Sr. No	Particular	Real Estate	Trading	Renewable Energy	Unallocated / Corporate	Total

ii	Segment Result	(11.90)	(39.40)	(45.80)	-	(97.10)
iii	Segment Assets	3032.32	2648.68	1161.41	12166.71	19007.12
iv	Segment Liabilities	16332.96	686.59	29.26	2141.78	19190.59

RISK MANAGEMENT

The Company can be exposed to various business risks which might threaten its business continuity if not identified promptly and addressed on time. Therefore the company follows a proactive risk management policy, aimed at protecting its investor's, employees, assets and the environment while at the same time ensuring growth and continuity of its business.

Regular updates of perceived risks are made available to the Board at the Board Meeting and in special cases on ad-hoc basis. The Risk Management Committee is entrusted with the responsibility of evaluating the various risk faced by the organization and also consider the ways and means to mitigate the same. The Management in consultation with the Board is taking all necessary actions to mitigate the risk posed by the pandemic and the company also adopted the work from home policy and upto a large extent currently work is being done through this medium.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

Modern India Limited has a well-defined organization structure, documented policy guidelines, predefined authority levels, and an extensive system of internal controls which helps in ensuring optimal utilization and protection of resources, IT security, accurate reporting of financial transactions and compliance with applicable laws and regulations.

_ We have adequate systems of internal control in place. This is to ensure that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are authorized, recorded, and reported correctly.

_ Company has an exhaustive budgetary control system. Actual performance is reviewed with reference to the budget by the management on an on-going process basis.

_ The internal audit function is empowered to examine the adequacy, relevance and effectiveness of control systems, compliance with policies, plans and statutory requirements.

_ The top management and the Audit Committee of the Board review the findings and recommendations of the internal auditor.

_ As required by the Companies Act, 2013, an audit of the Internal Financial Control was also carried out by the Statutory Auditor of the Company for the year 2019-20.

HUMAN RESOURCE /INDUSTRIAL RELATIONS

Your Company firmly believes that success of a company comes from good Human Resources. Employees are considered an important asset and key to its success. HR Department has been strengthened for sourcing and developing high calibre employees providing them relevant training for encashment of their competence and facilitating their assessment process through an effective Performance Management System (PMS) and by conducting monthly presentation which helps develops the overall personality of the employees and helps to maintain inter-personal relations between the employees. Company aims to remain lean and dynamic in a continuing de-layered structure. The employee relations continued to be satisfactory.

OUTLOOK

The Company has diversified itself into various businesses and aims to make optimum utilization of the opportunities that it shall come across during the conduct of its business activities thereby eliminating or avoiding the threats posed before it with a view to ensure maximum utilization of the investor's wealth.

CAUTIONARY STATEMENT

Statement in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectation may be "forward looking statements" within the meaning of applicable statutory laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions and price conditions in the domestic and overseas markets in which company operates, changes in the Government regulations, tax laws and other statutes and other incidental factors.

ANNEXURE - 1

FORM No. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020

(Pursuant to Section 204 (1) of the Companies Act, 2013 and rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,

The Members,

MODERN INDIA LIMITED

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Modern India Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, the information to the extent provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management and considering the relaxations granted by The Ministry of Corporate Affairs warranted due to the spread of the COVID-19 pandemic, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on 31st March, 2020, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on 31st March, 2020 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act")
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and amendments from time to time;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (Not applicable to the Company during the audit period)
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the audit period)
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (Not applicable to the Company during the audit period)
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during the audit period) and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 and amendments from time to time; (Not applicable to the Company during the audit period)
- (vi) Other laws applicable specifically to the Company namely:
 - 1) Transfer of Property Act, 1882
 - 2) Indian Contract Act, 1872
 - 3) Municipal Local Laws.
 - 4) Electricity Act, 2003 along with Govt of Maharashtra Industries, Energy and Labour Department – Government resolution No:-NCE-2015/C.R.49/Energy-7

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board and general meetings has been generally complied with.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc.

We further report that:

The Board of Directors of the Company is constituted with Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board Meetings were taken unanimously.

We further report that there are systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period following events occurred which had bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines etc:

- a) Litigations in respect of Representative Suit filed by the Company against Financial Technologies (India) Ltd, National Spot Exchange Ltd and 36 others for recovery of its dues as an Investor for the Trade executed on the NSEL.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020

(Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,
The Members,
Verifacts Services Private Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Verifacts Services Private Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, to the extent information provided by the company, its officers, agents and authorised representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2020, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on 31st March, 2020 according to the applicable provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iii) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

(iv) The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 and as amended from time to time are not applicable to the Company during the audit period.

(v) Other laws applicable specifically to the Company namely:-

1. Shops and Commercial Establishment Act.
2. The Foreign Exchange Management Act 1991
3. Goods and Services Tax act of 2017
4. Indian Contract Act, 1872
5. Municipal Local Laws
6. The Micro, Small and Medium enterprises Development Act, 2006
7. Prevention of Corruption Act, 1988
8. The Information Technology Act, 2000
9. The Copyright Act, 1957

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board and general meetings.

During the period under review and as per the explanations given and the representations made by the Management, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above.

We further report that:

The Board of Directors of the Company is constituted with proper balance of Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance for meetings other than those held at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board Meetings were taken unanimously.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines etc.

We further report that during the audit period no events occurred which had bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines etc.

ANNEXURE-6**MODERN INDIA LIMITED****REPORT ON CORPORATE GOVERNANCE****As per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

At Modern India Limited, we believe in best management practices, compliance of law in true letter and spirit, adherence of ethical standard for effective management and distribution of wealth and discharge of social responsibility for sustainable development of all stakeholders. In keeping with our commitment to ensure compliance our Company has adopted in letter and spirit the new Regulations and is striving to be compliant in all aspects.

The Company ensures full compliance with the requirements and disclosures as required by SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018. The Corporate Governance report for the year ended 31st March, 2020 is as under:

I COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

The Company's philosophy on Corporate Governance is aimed at attainment of the highest level of transparency, accountability and equity in all facets of its operations and in all interaction with its shareholders, employees, customers and the Government. The Company has the commitment to do business with strong corporate governance and openness by working across all organizational boundaries and strives to break down internal barriers and accept the accountability for their own actions and results.

The Board of Directors acknowledges that it has a fiduciary relation and a corresponding duty towards the stakeholders to ensure that their rights are protected. Through the Governance mechanism in the Company, the Board along with its Committees endeavours to strike a right balance with various stakeholders.

II. BOARD OF DIRECTORS**Composition of Board**

The current strength of the Board of Directors of the Company is Six. The Board has an optimum combination of executive and non-executive directors, it consist of the Chairman and Managing Director who is an executive director along with two non-executive directors and three Independent Directors. This combination helps the Company to take benefit of the experience and expertise of the directors, in their core area of competence. There are no nominee directors on the Board of the Company. The Board has an Executive Chairman and the number of Independent Directors is half of the total strength of the Board.

The Company has complied with the requirements of Regulation 17 SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 and any amendment thereafter and the Companies Act, 2013 with regards to the composition of the Board and includes one woman Director on the Board.

Board Meetings and attendance

During the year four Meetings of Board were held viz; on 30th May, 2019, 13th August, 2019, 04th November, 2019 and 13th February, 2020 and the gap between two Board meetings did not exceed 120 days.

The information pertaining to attendance of each director at the Board Meetings and at the last Annual General Meeting (AGM) and the number of companies and committees where he/she is a director/committee member are as under:

Names of the Directors	Category	No. of other Directorship #	No. of Other Committees @		No. of Board Meetings Attended out of 4	Last AGM Attendance (Yes/No)	Name of the listed Entities & Categories of Directorship

Excluding foreign companies, companies registered under Section 8 of the Companies Act, 2013 and Private Companies.

@Committee includes Audit Committee and Stakeholders Relationship Committee.

Directors who could not attend the meetings have obtained leave of absence from the Board/Committee.

Board Procedure

The Board meets at least once a quarter to review the quarterly performance and the financial results. The Board Meetings are generally scheduled well in advance and the notice of each Board Meeting is given in writing to each Director. All the items in the agenda are accompanied by notes giving comprehensive information on the related subject and in certain matters such as financial/business plans, financial results, detailed presentations are made. The agenda and the relevant notes are sent in advance separately to each Director and only in exceptional cases; the same is tabled at the meeting. The Board is also free to recommend the inclusion of any matter for discussion in consultation with the Chairman. The information as specified in Schedule II of the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 is regularly made available to the Board.

To enable the Board to discharge its responsibilities effectively, the Members of the Board are briefed at every Board Meeting, on the overall performance of the Company, with presentations by functional heads. Senior management is invited to attend the Board Meetings so as to provide additional inputs to the items being discussed by the Board. The Company provides video conferencing facility to the Directors of the Company to ensure their presence and participation, in case of their not being able to attend the meeting personally.

The Board's role, functions, responsibility and accountability are clearly defined. In addition to matters statutorily requiring Board's approval, all major decisions involving policy formulation, strategy and business plans, annual operating and capital expenditure budgets, new investments, compliance with statutory/ regulatory requirements, major accounting provisions, legal issues, approval of capital expenditure and write-offs are considered by the Board.

The Board takes on record the declaration made by the Chairman and Managing Director, the Chief Financial Officer and Company Secretary regarding Compliances of all laws on quarterly basis.

The draft minutes of the Board / Committee Meetings are circulated well within the time permitted as per the Secretarial Standards to all Directors and the same are confirmed at the subsequent Meeting.

VIII. RISK MANAGEMENT COMMITTEE:

Composition, Meeting and Attendance

The Risk Management Committee has been constituted to cover the matters specified in Regulation 21 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015

The Company recognizes that the risk is an integral and unavoidable component of business and is committed to managing the risk in proactive and effective manner. The Company believes that risk may not be fully eliminated, however, it can be controlled or transferred or reduced or shared, etc.

In the today's challenging and competitive environment, strategies for mitigating inherent risks in accomplishing the growth plans of the Company are imperative. The common risks inter alia are changing regulations, competition, business risks, technology obsolescence, investment risks, and retention of talent and expansion of facilities. For managing risks more efficiently, the Company has constituted the Committee on Risk Management in October, 2014. (though not applicable to our Company as it is applicable to top 100 companies as per listing regulations but as a good practice we have adopted and constituted this committee)

Shri. Parind Badshah, Vice President and Company Secretary acts as Secretary to the Committee.

During the year, the Committee met once on 30th May, 2019. The Board of Directors has framed the Risk Management Policy stating Roles and Responsibilities and delegation power for monitoring and reviewing the Risk Management plan for the Committee to follow.

The attendance of the Committee Meeting is as follows:

Composition	Designation	Category of Directorship	Attendance in Meeting
Shri Vijaykumar Jatia	Chairman	Executive Director	1
Shri. Kaiwan Kalyaniwalla	Member	Non-executive Independent Director	1
Shri. S.D. Israni	Member	Non-executive Independent Director	1

The Management regularly updates the Committee in case it foresees any imminent risk, the Board as the whole was informed and updated with the action taken to mitigate the risk when the YES Bank crises hit and also when Covid 19 lockdown was implemented.

XI SUBSIDIARY COMPANIES

Post the merger of Modern India Property Developers Ltd and Modern India Free Trade warehousing Pvt Ltd with the company, the Company now has two wholly owned subsidiaries of which one is a Foreign Subsidiary Company. The Indian subsidiary is a material non listed subsidiary of the Company whose net worth (i.e. paid-up capital and free reserves) exceed 10% of the consolidated net worth of the listed holding Company and its subsidiaries in the immediately preceding accounting year. Shri S. D. Israni, Independent Director was appointed as a Director in Verifacts Services Private Limited (Indian Subsidiary) w.e.f. 4th February, 2014.

The SEBI (LODR) Regulation 2015 were amended and mandated the Company for the appointment of independent director of a listed entity as a director on the board of an unlisted material subsidiary, whether incorporated in India or outside India whose net worth (i.e. paid-up capital and free reserves) exceed 20% of the consolidated net worth of the listed holding Company and its subsidiaries in the immediately preceding accounting year

In view of this the Company had appointed Mr Anand Didwania as Director of Modern International (Asia) Limited (MIAL) (Foreign Subsidiary) on 5th June 2019 to comply with the amended regulation.

The Company has framed the Policy on determination of material Subsidiary and the Board of Directors and Audit Committee acts within purview of the terms and conditions stated therein. The policy on determination of Material Subsidiary can be viewed on the website of the Company <http://modernindia.co.in/pdf/Policy%20on%20Material%20Subsidiary.pdf>

STEP DOWN SUBSIDIARY

During the year, MIAL has set up another company in Vietnam, namely Modern International (Vietnam) Company Limited in which MIAL holds 100% equity, thereby making the said company a step down subsidiary of our Company. This company was incorporated on 17th October, 2019 and has begun operations thereafter.

Details of the Company's Wholly Owned Subsidiary Companies (WOS)/ Subsidiary as on March 31, 2020 are as under:

Name of the WOS	Date of becoming WOS	Country in which Incorporated
<u>Foreign Subsidiary:</u>		
Modern International (Asia) Limited - Hongkong (WOS)	August 2, 2004	Hong Kong
<u>Indian Subsidiary:</u>		
Verifacts Services Private Limited (WOS)	October 25, 2018	India
<u>Step Down Subsidiary</u>	17 th October, 2019	Vietnam

Subsidiary Monitoring Framework

All the Subsidiary Companies are Board managed with their Boards having the rights and obligations to manage such companies in the best interest of their stakeholders. As a majority Shareholder, the Company monitors the performance of such Companies, inter alia, by the following means:

- All minutes of the meetings of the subsidiary companies are placed before the Company's Board regularly;
- A statement containing all significant transactions and arrangements entered into by the unlisted subsidiary companies are placed before the Company's Board;
- Independent directors of the Company have been appointed as director on the Board of one Indian wholly owned subsidiary and one subsidiary.
- Investments made or any dis-investment made by the Subsidiary Company is reviewed by the Audit Committee of the Holding Company and the same is also placed before the Board of Directors of the Holding Company.

XI I DISCLOSURES

- a) All the related party transactions arising in the ordinary course of business are placed periodically before the audit committee in summary form. The Related Party Transactions are disclosed in Note No 31 of the Annual Report. All the material related party transactions were on an arm's length basis and in the due course of business.
- b) All Indian Accounting Standards (IND AS) mandatorily required have been followed in preparation of financial statements and no deviation has been made in following the same.

Minimum Public Shareholding The Company has maintained the minimum Public Shareholding as per SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015.

Information in respect of unclaimed dividends due for the remittance into Investor Education and Protection Fund (IEPF) is given below:

Under the Provisions of the Companies Act 2013, dividends that remain unclaimed for the period of seven years from the date of declaration are required to be transferred to the IEPF administered by the Central Government. The unclaimed dividend as on March 31, 2020 is as follows:

Financial Year	Unpaid/Unclaimed Dividend as on 31.03.2020	Date of Declaration	Date of Transfer to IEPF
2012-13	436638.50	23.07.2013	21.08.2020
2013-14	466240.00	23.07.2014	21.08.2021
2014-15	115598.04	08.08.2015	06.09.2022
2015-16	290388.60	22.07.2016	20.08.2023
2016-17	299776.20	08.08.2017	06.09.2024
2017-18	71001.60	10.08.2018	08.09.2025
2018-19	58086.48	27.09.2019	26.10.2026

Shareholders are advised by the Company well in advance before transferring the unclaimed dividends in IEPF.

Shareholders holding shares in the electronic form are requested to deal only with their Depository Participant in respect of change of address, Nomination facility and furnishing bank account number, etc.

Furthermore, In terms of Section 124 of the Companies Act, 2013, read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, shares of the Company in respect of which dividend entitlements have remained unclaimed or unpaid for seven consecutive years or more, were required to be transferred by the Company to the Investor Education and Protection Fund (IEPF) of the Government of India. And the same

shall be transferred by the Company on or after 21.08.2020 after sending necessary reminders/communication to the members intimating about transfer.

The shares on which dividends were due from the Financial year 2011-12 for seven consecutive years were transferred to the demat account of the IEPF Authority respectively on 19.11.2019 AND 22.11.2019 (CDSL) and (NSDL) respectively.

Shareholders may note that the shares/dividend transferred to IEPF can be claimed by making an application to the Authority in Form IEPF 5 (to be filed online) at the following link <http://iepf.gov.in/IEPFA/refund.html>

Dematerialization of shares and liquidity:

As on 31.03.2020, 37152945 Equity Shares of the Company had been dematerialized, which represent 98.03% of the Paid up Capital of the Company.

Outstanding GDRs/ ADRs/ Warrants or any Convertible instruments, conversion date and likely impact on equity.

There are no GDRs/ ADRs / Warrants or any Convertible instruments outstanding as on 31st March 2020

Equity Share in the Demat Suspense Account:

Pursuant to Regulation 39(4) read with Schedule VI of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, there are no shares Unclaimed. However, there are 368320 shares under 748 folios undelivered after sub-division of shares from face value of `50 to `10 and subsequently from `10 to `2, in spite of sending reminders.

XX COMPLIANCE CERTIFICATE

Compliance Certificate for Corporate Governance from Practising Company Secretary is given as Annexure to this Report

For and on behalf of the Board of Director

Mumbai, 29th June 2020

**SD/-
Vijay Kumar Jatia
Chairman & Managing Director**

CERTIFICATION BY CHAIRMAN AND MANAGING DIRECTOR (CMD) and CHIEF FINANCIAL OFFICER (CFO) TO THE BOARD

We, Shri. Vijaykumar Jatia, Chairman and Managing Director and Shri. Nawalkishore Deora, Sr. Vice President & Chief Financial Officer of Modern India Limited, certify that:

1. We have reviewed the Balance Sheet, Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash flows and a summary of the significant accounting policies and other explanatory information of the Company and the Board's report.
2. These statements do not contain any materially untrue statement or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report.
3. The financial Statements, and other financial information included in this report, present in all material respects a true and fair view of the state of affairs of the company, the financial condition, results of operations and cash flows of the Company as at, and for, period presented in this report, and are in compliance with the existing accounting standards and/or applicable laws and regulations.
4. There are no transactions entered into by the company during the year that are fraudulent, illegal or violative of the company's code of conduct.
5. We are responsible for establishing and maintaining internal control for financial reporting and that we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting of the Company. This is monitored by the internal audit function, which encompasses the examination and evaluation of the adequacy and effectiveness, of internal control. The internal auditor works with all levels of management and statutory auditors and reports significant issues to the audit committee of the Board. The auditors and audit committee are appraised of any corrective action taken with regard to significant deficiencies in the design or operation of internal controls.
6. We indicate to the auditors and to the audit committee:
 - a) There are no Significant changes in internal control over financial reporting during the year;
 - b) There are no Significant changes in accounting policies during the year; and that the same have been disclosed in the notes to the financial statements; and
 - c) Instances of significant fraud of which we have become aware of and which involve management or other employees having significant role in the company's internal control system and financial reporting. However, during the year there was no such instance.

INDEPENDENT AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To the Members of
Modern India Limited

1. We have examined the compliance of the conditions of Corporate Governance of **Modern India Limited** ("the Company") for the year ended March 31, 2020, as stipulated in Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations-2015").

Management Responsibility

2. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations- 2015.

Auditors Responsibility

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of account and other relevant records and documents maintained by the Company for the purpose of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
5. We conducted our examination of the relevant records of the Company in accordance with the guidance note on Reports or Certificates for special purposes (Revised 2016) issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India. We have complied with the relevant applicable requirements of the Standard on Quality (SQC) 1, Quality Control for Firms that perform Audits and Reviews of Historical Financial information, and other Assurance and related service engagements.
6. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27, clauses (b) to (i) of Regulation 46 (2) and paragraphs C, D and E of Schedule V of the Listing Regulations-2015, as applicable, during the year ended March 31, 2020.
7. We further state that such compliance is neither an assurance as to the future viability of the Company nor as to the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restrictions on use

8. The certificate is addressed and provided to the members of the Company solely for the purpose of complying with the requirement of the Listing Regulations- 2015, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come without our prior consent in writing.

INDEPENDENT AUDITORS' REPORT

To the Members of Modern India Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of **Modern India Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income/(loss)), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

An amount of Rs. 1348.48 lakhs (net of Rs. 104.64 lakhs recovered till date) is outstanding as trade receivables as at March 31, 2020 in respect of commodities trading transaction done on National Spot Exchange Limited (NSE). The Company has filed a representative suit in the Hon'ble Bombay High Court for recovery of the same. Ministry of Corporate Affairs (MCA) had ordered merger of 63 Moons Technologies Limited with NSE which was held up by the Hon'ble High Court of Bombay. The same has been set aside by the Hon'ble Supreme Court of India. Pending outcome of the legal suit and resolution of uncertainties involved, the management has considered the receivable as good for recovery. However, in the absence of appropriate audit evidence, we are unable to determine the extent of recovery possible in this case. (Refer note 8(i) of the standalone financial statements).

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India [ICAI] together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

We draw attention to Note 38 to the Standalone Financial Statements in which the company describes the uncertainties arising from the COVID 19 pandemic.

Our opinion on the standalone financial statements is not modified in respect of the above matter.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Corporate Governance Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. As described in the Basis for Qualified Opinion section above, we were unable to obtain sufficient appropriate audit evidence to determine the extent of recovery possible in NSEL matter. Accordingly, we are unable to conclude whether or not the other information is materially misstated with respect to NSEL matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the Basis for Qualified Opinion and Emphasis of Matter sections, we have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the key audit matter
<p>Impairment assessment of long-term investments in subsidiaries</p> <p>The Company has long-term investments in subsidiaries aggregating Rs 3616.25 lakhs as at March 31, 2020. The Company records its long-term investments at cost less any provision for impairment loss. Changes in business environment could have a significant impact on the valuation of these investments. These long-term investments are tested for impairment periodically. If triggers of impairment exist, the recoverable amounts of the investment in subsidiaries are adjusted for any impairment loss. The impairment loss is recognised in the statement of profit and loss.</p> <p>Refer note 2.4(i) for impairment of equity investment in subsidiary</p>	<p>Our audit procedures included:</p> <p>Comparison of the carrying amount of investments with subsidiary's balance sheet as at March 31, 2020 to identify whether their net assets, being an approximation of their minimum recoverable amount, were in excess of their carrying amount and assessing whether this subsidiary have historically been profit-making.</p> <p>For the investment in Verifacts Services Private Limited, subsidiary company, where the carrying amount exceeded the net assets value, comparing the carrying amount of the investment with the expected value of the business based on last available valuation report of the said subsidiary obtained by the Company from a Valuer, obtained and verified the latest audited financial statements of the said subsidiary and relied on management representations / judgments.</p>
<p>Modified Audit Procedures carried out in light of COVID-19 outbreak:</p> <p>Due to COVID-19 pandemic, Nationwide lockdown and travel restrictions imposed by Central/State Government/Local Authorities during the period of our audit, audit could not be conducted by visiting the premises of the Company.</p> <p>As we could not gather audit evidence in person/physically/ through personal interactions with the officials of the Company, we have identified such modified audit procedures as a Key Audit Matter.</p> <p>Accordingly, our audit procedures were modified to carry out the audit remotely.</p>	<p>Due to the outbreak of COVID-19 pandemic that caused nationwide lockdown and other travel restrictions imposed by the Central and State Governments/local administration during the period of our audit, we could not visit the Company and carry out the audit processes physically at the office premises of the Company.</p> <p>Since physical access was not possible, necessary records/ reports/ documents were made available to us by the Company through digital medium, emails and remote access and accounting application software. To this extent, the audit process was carried out on the basis of such documents, reports and records made available to us which were relied upon as audit evidence for conducting the audit and reporting for the current period.</p> <p>Accordingly, we modified our audit procedures as follows:</p> <p>a. Conducted verification of necessary records/ documents and accounting Application software electronically through remote access/emails as physical access was not possible.</p> <p>b. Carried out verification of scanned copies of the documents, deeds and the related records made available to us through emails</p>

	<p>and remote access.</p> <p>c. Making enquiries and gathering necessary audit evidence through dialogues and discussions over phone calls, emails and similar communication channels.</p> <p>d. Resolution of our audit observations telephonically/through email instead of a face-to-face interaction with the designated officials.</p>
--	---

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income/(loss), changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in para(ii) of the 'Emphasis of Matters' paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure 'A'**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and, except for the matters described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) Except for the possible effects of the matter described in the Basis for Qualified Opinion section above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records of the Company;
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income/(loss), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account;
 - d) Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued there under;
 - e) The matter described in the Basis for Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Company;
 - f) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
 - g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph;
 - h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure 'B'**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;

- i) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and

- j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations as at March 31, 2020 on its financial position in its standalone financial statements – Refer Note 8(i) to the standalone financial statements;
- ii. The Company did not have any long term contracts including derivatives contracts as at March 31, 2020 for which there were any material foreseeable losses- Refer Note 35 to the standalone financial statements; and
- iii. During the year ended March 31, 2020, there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure 'A' referred in the Independent Auditor's Report of even date to the members of Modern India Limited on the standalone financial statements as of and for the year ended March 31, 2020

- (i) (a) The Company is maintaining proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The fixed assets have been physically verified by the management during the year. In our opinion the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of the Immovable properties as disclosed in Note 3 to the standalone financial statements are held in the name of the Company.
- (ii) (a) The inventory has been physically verified during the year by the management at reasonable intervals.
- (b) The procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
- (c) In our opinion and according to the explanations given to us, the Company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stocks and the book records were not material and properly dealt with in the books of account
- (iii) The Company has not granted any loans, secured or unsecured to Companies, Firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made and guarantees and security provided by it.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- (vi) As informed to us by the management, the Central Government of India has not specified the maintenance of cost records under sub-section (1) of section 148 of the Act for any of the products of the Company.

- (vii) (a) According to the information and explanations given to us and records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Cess, Goods and Service Tax, duty of custom, duty of excise, Value Added Tax and other material statutory dues, as applicable, with the appropriate authorities.

According to the records of the Company, there were no undisputed amounts payable in respect of above in arrears, as at March 31, 2020 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, the dues of Income Tax, Sales Tax, Service Tax, Goods and Service Tax, Duty of Custom, Duty of Excise and Value Added Tax which have not been deposited on account of disputes and the forum where the dispute is pending are as under:

Sr. No.	Name of Statute	Nature of the Dues	Period to which the amount relates (Assessment Year)	Amount (in lakhs)	Forum where the dispute is pending
1	Income Tax Act, 1961	Income Tax and Interest thereon (Sec. 147)	2012-13	290.63	Commissioner of Income-tax (Appeals)
2	Income Tax Act, 1961	Income Tax and Interest thereon (Sec. 143(3))	2016-17	1.95	As informed, the Company is in the process of filing the rectification application.
3	Income Tax Act, 1961	Income Tax and Interest thereon (Sec. 154)	2018-19	8.89	As informed, the Company is in the process of filing the rectification application.

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted during the year in repayment of dues to bank, financial institution and government. The Company did not have any outstanding dues to government or debenture holders during the year.
- (ix) The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) and term loans. Accordingly, provisions of clause 3(ix) of the Order are not applicable to the Company.
- (x) Based upon the audit procedures performed and according to the information and explanations given to us, no material fraud by the Company or on the

Company by its officers or employees has been noticed or reported during the course of our audit.

- (xi) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable Ind AS.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3 (xiv) of the Order are not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with them. Accordingly, the provisions of clause 3(xv) of the Order are not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of clause 3(xvi) of the Order are not applicable to the Company.

Annexure 'B' referred in the Independent Auditor's Report of even date to the members of Modern India Limited on the standalone financial statements for the year ended March 31, 2020

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of **Modern India Limited** ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Modern India Limited

Notes to the standalone financial statements for the year ended March 31, 2020

1. COMPANY INFORMATION:

Modern India Limited ('the Company') is a public limited Company domiciled in India and is incorporated under the provisions of the Companies Act, applicable in India. The Registered office of the Company and its principal place of business is located at 1, Mittal Chambers, 228, Nariman Point, Mumbai - 400 021. The Company is listed on Bombay Stock Exchange (BSE). The Company is operating in Real Estate, Trading and Renewable Energy.

The financial statements of the Company for the year ended 31st March, 2020 were approved for issue in accordance with a resolution of the Board of Directors on 29th June, 2020.

2. SIGNIFICANT ACCOUNTING POLICIES:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements ("financial statements"). These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 (a) Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

(b) Basis of Preparation

The financial statements have been prepared and presented under the historical cost convention, on accrual basis of accounting and going concern basis except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non current classification of assets and liabilities.

The financial statements are presented in INR and all amounts disclosed in the financial statements and notes have been rounded to the nearest Lakhs (INR 00,000), as per the requirement of Schedule III, unless otherwise stated.

2.2 Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (not exceeding twelve months) and other criteria set out in the Schedule III to the Act.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

2.3 Key Accounting Estimates and Judgements:

The preparation of financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that effect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgements based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognized prospectively.

Information about critical judgements in applying accounting policies, as well as estimates and assumptions that have the significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- (a) Measurement of defined benefit obligations - Note 29
- (b) Measurement and likelihood of occurrence of provisions and contingencies - Note 27
- (c) Recognition of deferred Tax Assets / Liabilities - Note 25
- (d) Key assumptions used in discounted cash flow projections
- (e) Impairment of Assets / Intangibles
- (f) Key assumptions used in repayment of deposits - Note 15(a)

2.4 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, Plant & Equipment:

Property, Plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of Property, Plant and Equipment are recognized in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of the Balance Sheet are disclosed as "Capital Work-in-progress".

Depreciation is provided on a pro-rata basis on the Written Down Value method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013 with the exception of the following:

(i) Some of Plant and equipment of Renewable Energy are depreciated over 20 years based on the manufacturers warranty and evaluation done by the management.

(ii) Assets costing Rs. 5,000/- or less are fully depreciated in the year of purchase.

Freehold Land is not depreciated / amortized.

The estimated useful lives, residual values and method of depreciation of property, plant and equipment is reviewed by the end of each financial year taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

Upon first-time adoption of Ind AS, the Company has elected to measure all its property, plant and equipment at the Previous GAAP carrying amounts as its deemed cost on the date of transition to Ind AS i.e. 1st April, 2016.

(b) Investment Property:

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its investment property recognized as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the investment property.

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Investment properties are depreciated using the straight line method over their estimated useful lives which is 60 years.

(c) Intangible Assets:

Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment loss, if any.

Transition to Ind AS:

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognized as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

Amortization

Intangible assets comprise of Brands / Trademarks and Computer Software. Intangible assets are amortized over the useful life of 3 years. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

(d) Impairment of assets:

Intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(e) Revenue recognition:

Revenue is recognized when it is probable that economic benefits associated with a transaction flows to the Company in the ordinary course of its activities and the amount of revenue can be measured reliably regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment excluding taxes or duties collected on behalf of the government net of returns, trade discounts and volume rebates allowed by the Company.

Revenue includes only the gross inflows of economic benefits, received and receivable by the Company, on its own account. Amounts collected on behalf of third parties such as sales tax and value added tax are excluded from revenue.

Sale of products:

Revenue from the sale of products is recognized when the Company transfers all significant risks and rewards of ownership of the goods to the buyer, while the Company retains neither continuing managerial involvement nor effective control over the products sold. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates. Sales include excise duty recoverable. Liquidated damages are accounted for as and when they are ascertained.

Revenue from Renewable Energy Generation is recognized at the time of supply of electricity to the Contracted Customer. Revenue from Renewable Energy Certificates is recognized at the time of Sale.

Sales of flats

Sales of flats are accounted at contracted rate on handing over the possession.

Rendering of services:

Revenue from services is recognized when the stage of completion can be measured reliably. Stage of completion is measured by the services performed till Balance Sheet date as a percentage of total services contracted. Revenue is recorded exclusive of taxes.

Interest and dividends:

Interest income from debt instruments is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

(f) Inventories:

Inventories are valued as under:

- (i) Trading Goods : At lower of Cost and Net Realizable Value
- (ii) Stores / Consumables : At lower of Cost and Net Realizable Value
- (iii) Real Estate Business:
 - (a) Land & Structures : At lower of Book and Net Realizable Value
 - (b) Land & Structures - Acquired : At lower of Cost and Net Realizable Value
 - (c) Land : At lower of Book and Net Realizable Value
- (iv) Renewable Energy Certificates : At Net Realizable Value

Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are 'First-in-First-out'. Due allowance is estimated and made for defective and obsolete items, wherever necessary. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

(g) Trade Receivables:

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method less provision for impairment.

(h) Cash and Cash equivalents:

Cash and Cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. These do not include bank balances earmarked/restricted for specific purposes.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(i) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(A) Financial Assets:**Initial recognition and measurement**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in following categories based on business model of the entity:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through profit and loss (FVTPL)

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. The Company has elected to measure debt instruments at amortized cost

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method. The Company has not designated any debt instrument as at FVOCI.

Debt instrument at FVTPL

Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&I.

Equity investments (Other than investment in subsidiary)

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments continue to be recognized in profit or loss as other income when the Company's right to receive payments is established. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Changes in the fair value of financial assets at fair value through profit or loss are recognized in other income in the statement of profit and loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L. The Company has elected to measure equity instruments at FVTPL.

Investments in Mutual Funds

Investments in mutual funds are measured at fair value through profit or loss (FVTPL).

Equity Investments (in subsidiary)

Investment in subsidiary is carried at cost less accumulated impairment losses, if any, in accordance with the option available in Ind AS 27, 'Separate Financial Statements'. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. The accounting policy on impairment of non-financial assets is disclosed in Note 2.4(d). On disposal of investments in subsidiary, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

Derecognition:

A financial asset is de-recognized only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognized if the Company has not retained control of the financial asset.

Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of Impairment loss on the following financial assets:

A. Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 115.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

Trade receivables or contract revenue receivables; &

All lease receivables resulting from transactions within the scope of Ind AS 17

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L).

(B) Financial Liabilities

Financial liabilities and equity instruments issued by the company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement

Financial liabilities are recognized when the company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the statement of profit and loss.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial period which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

(j) Fair Value:

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the assets or liabilities, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

(k) Leases**As a lessee**

The Company adopted Ind AS 116 with effect from 1st April, 2019 i.e. no change to prior period financial statements and has applied the standard to contracts or arrangements that were previously identified as leases applying Ind AS 17. The Ministry of Corporate Affairs has notified Indian Accounting Standard 116 ("Ind AS 116"), Leases, with effect from 1st April, 2019. The Standard primarily requires the Company, as a lessee, to recognize, at the commencement of the lease a right-to-use asset and a lease liability (representing present Value of unpaid lease payments). Such right-to-use assets are subsequently depreciated and the lease liability reduced when paid, with the interest on the lease liability being recognized as finance costs, subject to certain remeasurement adjustments. As permitted by the standard, the Company has elected to apply this standard to its leases w.e.f. 1st April, 2019 and comparatives for the previous period / year have not been restated.

At the commencement date of a lease, the Company recognizes a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Right-of-use assets are measured at cost, less any accumulated depreciation, impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized and lease payments made at or before the commencement date. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

The Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification or a change in the lease term. The Company separately recognizes the interest expense on the lease liability as finance cost and the depreciation expense on the right-of-use asset.

As a lessor

Lease income from operating leases where the Company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

(l) Foreign Currency Translation and Transactions**(i) Functional and presentation currency**

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian currency (INR), which is the Company's functional and presentation currency

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the period end exchange rates are recognized in profit or loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognized in profit or loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognized in other comprehensive income.

(m) Dividend

Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

(n) Income Taxes

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realized.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

(o) Provisions and Contingent Liabilities and contingent Assets

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

(p) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave which is expected to be utilized within next twelve months, are treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Remeasurement as a result of experience adjustments and changes in actuarial assumptions are recognized in the Statement of Profit and Loss.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognized in the balance sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Defined Contribution Plans

Contributions to defined contribution schemes such as employees' state insurance and labour welfare fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

Termination benefits

Termination benefits are recognized as an expense in the period in which they are incurred.

(q) Borrowings:

Borrowings are initially recognized at net of transaction costs incurred and measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, if any. All other borrowing costs are expensed in the period in which they occur.

(r) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company.

(s) Cash Flow Statement

Cash flows are reported using the indirect method. The cash flows from operating, investing and financing activities of the Company are segregated.

(t) Business combinations**Business Combination under Common control**

A business combination involving entities or businesses under common control is a business combination in which all of the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination and the control is not transitory. The transactions between entities under common control are specifically covered by Appendix C to Ind AS 103 and are accounted for using the pooling-of-interest method as follows:

- The assets and liabilities of the combining entities are reflected at the carrying amounts.
- No adjustments are made to reflect fair values, or recognize new assets or liabilities. Adjustments are made to harmonize significant accounting policies.
- The financial information in the financial statements in respect of prior periods is restated as if the business combination has occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination.

The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee. The identity of the reserves is preserved and the reserves of the transferor become the reserves of the transferee.

The difference, if any, between the investment in the financial statements of the Transferee Company in the Transferor Companies and the amount of paid-up share capital of the Transferor Companies respectively, is adjusted against the Capital Reserves and will be transferred to Common Control Transactions Capital Reserve (separately from other capital reserves).

(u) Earnings Per Share (EPS):

Basic Earnings per share amounts are calculated by dividing the profit / (loss) for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

(v) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis to realize the assets and settle the liabilities simultaneously.

(w) Events after Reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

(b) **Terms / Rights attached to Equity Shares:**

The Company has only one class of Equity Shares having a par value of ` 2/- per Share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian Rupees and every equity share is entitled to the same rate of dividend. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. In the event of liquidation of the Company, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts in proportion to their shareholding.

The Board of Directors in the meeting on May 30, 2019, proposed a final dividend of ` 0.24 per equity shares for the Financial Year ended March 31, 2019 which has been approved by the shareholders at the Annual General Meeting held on 27th September, 2019. The dividend paid during the year ended March 31, 2020 amounts to ` 90.10 Lakhs plus dividend distribution tax of ` 14.62 Lakhs (Net of credit in respect of taxes paid under section 115 - O of the Income Tax Act, 1961 on dividend received from subsidiary Company).

The Board of Directors, in their meeting on June 29, 2020 have not proposed any dividend.

- (c) The Company has not issued any equity shares as bonus or for consideration other than cash and has not bought back any shares during the period of five years immediately preceding March 31, 2020.

The remuneration of directors and key executives is determined by the remuneration committee having regard to the performance of individuals.

Modern India Limited**Notes to the Standalone financial statements for the Year ended March 31, 2020****Note No. 32 :- Financial Instruments and Risk Review****Financial risk management objectives and policies**

The Company's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for the establishment and oversight of the Company's risk management framework.

(A) (i) Market Risk- Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Group's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

According to the Group interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

(C in Lakhs)

Exposure to interest rate risk

Particulars	As at March 31, 2020	As at March 31, 2019
Total Borrowings	1,439.79	654.62
% of Borrowings out of above bearing variable rate of interest	90.68%	75.77%

Interest rate sensitivity**A change of 50 bps in interest rates would have following Impact on loss before tax**

	2019-20	2018-19
50 bp increase would increase the loss before tax by	7.20	3.27
50 bp decrease would decrease the loss before tax by	7.20	3.27

(ii) Market Risk- Price Risk**Exposure**

The Group's exposure to equity securities price risk arises from investments held by the Group and classified in the balance sheet at fair value through profit and loss. To manage its price risk arising from investments in equity securities, the Group diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Group.

Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Group's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5 % or decreased by 5 % with all other variables held constant, and that all the Group's equity instruments moved in line with the index.

Impact on Loss before tax on account of quoted equity shares

Particulars	As at March 31, 2020	As at March 31, 2019
Increase 5%	56.57	75.96
Decrease 5%	56.57	75.96
Impact on Loss before tax on account of units of mutual funds		
Increase 5%	197.06	202.41
Decrease 5%	197.06	202.41

Above referred sensitivity pertains to quoted equity investment and units of mutual funds. Loss for the year would increase/ (decrease) as a result of gains/ losses on equity investments and units of mutual funds as at fair value through profit or loss.

(B) CREDIT RISK

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

Trade receivables are in respect of Trading activity. On-going credit evaluation is performed on the financial condition of accounts receivable. [also refer note 8 (i)]

The credit risk on liquid funds is limited because the counterparties are mutual funds with high credit-ratings assigned by credit-agencies.

In addition, the Company is exposed to credit risk in relation to guarantee given to Indian Overseas Bank on behalf of Wholly Owned Subsidiary Company. The Company's maximum exposure in this respect is the maximum amount the Company could have to pay if the guarantee is called on. As at 31 March 2020, an amount of ` 3,768.38 Lakhs (31 March 2019: ` 3,460.00 Lakhs) has been disclosed as contingent liabilities. The Company does not expect any outflow of resources in respect of the above.

Ageing of Account receivables (net of provisions)

(` in Lakhs)

Particulars	As at March 31, 2020	As at March 31, 2019

Less:- Provision write off	-	-
Less:- Provision reversed	-20.00	-
Closing provisions	661.77	205.55

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the management in accordance with the Company's policy. Counterparty credit limits are reviewed by the management on an annual basis, and may be updated throughout the year. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

(C) LIQUIDITY RISK

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

Maturity pattern of Borrowings

(` in Lakhs)

Particulars	0-1 years	1-5 years	beyond 5 years	Total

Total	13,905.26	1,195.43	12,709.82	13,905.26

(D) CAPITAL RISK MANAGEMENT

The Company's objective to manage its capital is to ensure continuity of business while at the same time provide reasonable returns to its various stakeholders but keep associated costs under control. Management monitors the return on capital as well as the level of dividends to ordinary shareholders. In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account capital expenditure and strategic investments. Apart from internal accrual, sourcing of capital is done through borrowing, both short term and long term.

The Board of Directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position.

Dividend	As at March 31, 2020	As at March 31, 2019
Equity shares		
Final dividend for the year ended 31st March, 2019 of ` 0.24 (31st March, 2018 : ` 0.30) per fully paid share	90.10	112.63
Dividends not recognized at the end of the reporting period		
Board of Directors in their meeting held on June 29, 2020 have not recommended any dividend.	-	90.10

Debt Equity Ratio

The Company monitors capital using a ratio of 'adjusted net debt' to 'total equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings, less cash and cash equivalents, other bank balances and current investments.

Particulars	As at March 31, 2020	As at March 31, 2019
Borrowings	1,439.79	654.62
Less : Cash and Cash equivalents	-26.12	-26.36
Less : Other Bank Balances	-17.38	-30.40
Less : Current Investments	-1.05	-523.30
Total Debt	1,395.24	74.56
Equity	-183.46	2,081.02
Total Equity	-183.46	2,081.02
Debt Equity Ratio	-7.60	0.04

Modern India Limited
Notes to the Standalone financial statements for the Year ended March 31, 2020
Note No. 33 :- FAIR VALUE MEASUREMENT
A - Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and cash equivalents, short-term deposits, trade and other short term receivables, trade payables, other financial assets and other financial liabilities approximate their carrying amounts largely due to short term maturities of these instruments.

2. For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Modern India Limited**Notes to the Standalone financial statements for the Year ended March 31, 2020****Note No. 34 :-**

In the opinion of the Board, current assets, loans and advances are approximately of the value stated, if realized in the ordinary course of business.

Note No. 35 :-

In accordance with the relevant provisions of the Companies Act, 2013, the Company did not have any long term contracts including derivatives contracts for which there were any material foreseeable losses.

Note No. 36 :-

(i) The Company is in the process of taking over development project of Bikaner property under Joint Development basis with Nine Globe Industries Pvt. Ltd and accordingly advance given of ` 476.22 Lakhs (Previous Year ` 476.22 Lakhs) to Nine Globe Industries Pvt. Ltd will be adjusted against value of project to be taken over. However on conservative basis provision for the same is made during the year.

(ii) Loans and advances given by erstwhile subsidiary Company - MIPDL of ` 145.58 Lakhs due from Kamla Shiv Developers given as advance against property. Erstwhile MIPDL had filed a complaint with Economic Offence Wing (EOW) for recoverability of advance given to Kamla Shiv Developers against booking of property. Necessary provision had been made against the same.

Note No. 37 :-

The Ministry of Corporate Affairs has notified Indian Accounting Standard 116 ("Ind AS 116"), Leases, with effect from 1st April, 2019. The Standard primarily requires the Company, as a lessee, to recognize, at the commencement of the lease a right-to-use asset and a lease liability (representing present Value of unpaid lease payments). Such right-to-use assets are subsequently depreciated and the lease liability reduced when paid, with the interest on the lease liability being recognized as finance costs, subject to certain remeasurement adjustments. As permitted by the standard, the Company has elected to apply this standard to its leases w.e.f. 1st April, 2019 and comparatives for the previous year have not been restated. The effect of this adoption is insignificant on the Loss for the year. The net assets (PPE) and net liabilities as at March 31, 2020 have increased by `446.70 Lakhs and ` 462.86 Lakhs respectively.

Note No. 38 :-

The outbreak of Covid-19 pandemic is causing significant disturbance and slowdown of economic activities globally. The nationwide lockdown ordered by the Government of India has resulted in significant reduction in economic activities and also the business operations of the Company in terms of trading sales, real estate and solar power generation however the Company is of the view that there is no significant impact on the financial performance of the Company for the year ended March 31, 2020. Further, as at March 31, 2020, the Company expects to fully recover the carrying amount of its assets and liabilities. Based on the current indicators of future economic conditions, the management expects to recover the carrying amount of the assets. However, due to the uncertainties associated with the pandemic, the actual impact may not be in line with current estimates. The management will continue to closely monitor any material changes based on future economic conditions. Given the uncertainties, the final impact on Company's operating results, financial condition and cash flows cannot be predicted at this time and in future may differ from that estimated as at the date of approval of these financial statements. Further, the impact assessment does not indicate any adverse impact on the ability of the company to continue as a going concern.

Note No. 39 :-

Previous year's figures have been regrouped / reclassified / restated wherever necessary to correspond with the current year's classification/disclosure.

Note No. 40 :- Net Debt Reconciliation

INDEPENDENT AUDITORS' REPORT

To the Members of Modern India Limited

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of **Modern India Limited** (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated balance sheet as at March 31, 2020, and the consolidated statement of profit and loss (including other comprehensive income/(loss)), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries as were audited by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2020, of its consolidated loss and total comprehensive loss, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Qualified Opinion

In case of the Holding Company, an amount of Rs. 1348.48 lakhs (net of Rs. 104.64 lakhs recovered till date) is outstanding as trade receivables as at March 31, 2020 in respect of commodities trading transaction done on National Spot Exchange Limited (NSE). The Holding Company has filed a representative suit in the Hon'ble Bombay High Court for recovery of the same. Ministry of Corporate Affairs (MCA) had ordered merger of 63 Moons Technologies Limited with NSE which was held up by the Hon'ble High Court of Bombay. The same has been set aside by the Hon'ble Supreme Court of India. Pending outcome of the legal suit and resolution of uncertainties involved, the management has considered the receivable as good for recovery. However, in the absence of appropriate audit evidence, we are unable to determine the extent of recovery possible in this case. (Refer note 9(i) of the consolidated financial statements).

We conducted our audit in accordance with the Standard on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matter paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

We draw attention to Note 38 to the Consolidated Financial Statements in which the Group describes the uncertainties arising from the COVID 19 pandemic. Our opinion on the consolidated financial statements is not modified in respect of the above matter.

Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Corporate Governance Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed and the reports of the other auditors as furnished to us (refer Other Matter paragraph below), we conclude that there is a material misstatement of this other information; we are required to report that fact. As described in the Basis for Qualified Opinion section above, we were unable to obtain sufficient appropriate audit evidence to determine the extent of recovery possible in NSEL matter. Accordingly, we are unable to conclude whether or not the other information is materially misstated with respect to NSEL matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the Basis for Qualified Opinion and Emphasis of Matter sections, we have determined the matters described below to be the key audit matter to be communicated in our report.

Key Audit Matters	How our audit addressed the key audit matter
<p>Impairment evaluation of Goodwill</p> <p>The carrying amount of Goodwill amounting to Rs 2279.86 lakhs as at March 31, 2020. In consolidated financial statements, the said Goodwill is arisen on account of investment in Verifacts Services Private Limited, subsidiary company.</p> <p>We consider the impairment evaluation of Goodwill by management to involve significant estimates and judgment, due to the inherent uncertainty involved. Further, due to the materiality in the context of total assets of the Group, this is considered to be significant to our overall audit strategy and planning.</p>	<p>Our audit procedures included</p> <p>Reviewing the appropriateness of management's basis to carry amount of Goodwill arising on account of investment in Verifacts Services Private Limited, subsidiary company.</p> <p>For the said investment where the carrying amount exceeded the net assets value, comparing the carrying amount of the investment in standalone financial statements with the expected value of the business based on latest available valuation report of the said subsidiary obtained by the Company from a Valuer, obtained and verified the latest audited financial statements of the said subsidiary and relied on management representations/judgments.</p>
<p>Modified Audit Procedures carried out in light of COVID-19 outbreak:</p> <p>Due to COVID-19 pandemic, Nationwide lockdown and travel restrictions imposed by Central/State Government/Local Authorities during the period of our audit, audit could not be conducted by visiting the premises of the Company.</p> <p>As we could not gather audit evidence in person/physically/ through personal interactions with the officials of the Company, we have identified such modified audit procedures as a Key Audit Matter.</p> <p>Accordingly, our audit procedures were modified to carry out the audit remotely.</p>	<p>Due to the outbreak of COVID-19 pandemic that caused nationwide lockdown and other travel restrictions imposed by the Central and State Governments/local administration during the period of our audit, we could not visit the Company and carry out the audit processes physically at the office premises of the Company.</p> <p>Since physical access was not possible, necessary records/ reports/ documents were made available to us by the Company through digital medium, emails and remote access and accounting application software. To this extent, the audit process was carried out on the basis of such documents, reports and records made available to us which were relied upon as audit evidence for conducting the audit and reporting for the current period.</p> <p>Accordingly, we modified our audit procedures as follows:</p> <ol style="list-style-type: none"> Conducted verification of necessary records/ documents and accounting Application software electronically through remote access/emails as physical access was not possible. Carried out verification of scanned copies of the documents, deeds and the related records made available to us through emails and remote access.

	<p>c. Making enquiries and gathering necessary audit evidence through dialogues and discussions over phone calls, emails and similar communication channels.</p> <p>d. Resolution of our audit observations telephonically/through email instead of a face-to-face interaction with the designated officials.</p>
--	---

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated loss and other comprehensive income/(loss), consolidated statement of changes in equity and consolidated cash flows of the Group including in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to

influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and such companies incorporated in India which are its subsidiary companies have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We believe that the audit evidence obtained by us and the consideration of audit reports of the other auditors referred to in Other Matter paragraph below, is insufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements of the three subsidiaries whose financial statements reflect total assets as at March 31, 2020 and total revenue, net profit/(loss) after tax, total comprehensive income/(loss), net cash inflow/(outflow) for the year ended on that date, considered as under in the consolidated financial statements based on respective audited financial statements by other auditors:

(Rs. in Lakhs)

Name of the subsidiary	Total Assets as at March 31, 2020	Total Revenue for the year ended March 31, 2020	Net Profit/ (loss) after tax for the year ended March 31, 2020	Total comprehensive income / (loss) for the year ended March 31, 2020	Net Cash Inflow / (Outflow) for the year ended March 31, 2020
Direct Subsidiaries					
Verifacts Services Private Limited	2,031.88	2,087.03	49.39	50.36	6.38
Modern International (Asia) Limited *	3,410.66	11,292.67	46.52	206.54	(14.38)
Indirect Subsidiary (step-down subsidiary (w.e.f. 17.10.2019))					
Modern International Vietnam Company Limited*	9.27	Nil	(2.66)	(3.08)	9.09

* these subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles

generally accepted in that respective country and which has been audited by other auditors under generally accepted auditing standards applicable in that respective country. The Holding Company's management has converted the financial statements of the said subsidiaries located outside India from accounting principles generally accepted in that country to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the financial information of the said subsidiaries located outside India, is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

The above referred financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) of Section 143 of the Act including report on Other information insofar as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

- A. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information, of subsidiaries as noted in the 'other matter' paragraph above, we report, to the extent applicable, that:
- a) We have sought and, except for the matters described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, except for the possible effect of the matters described in the Basis for Qualified Opinion paragraph above, proper books of account as required by law maintained by the Holding Company and its subsidiaries included in the Group including relevant records relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and records of the Holding Company and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income/(loss)), Consolidated Statement of Cash Flow and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained by the Holding Company and its subsidiaries included in the Group including relevant records relating to preparation of the consolidated financial statements.
 - d) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e) The matter described in the Basis for Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Group.
 - f) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2020 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the

Holding company and its subsidiary company incorporated in India is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

- g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph.
 - h) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'Other Matter' paragraph:
- a) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer note 9(i) to the consolidated financial statements.
 - b) The Group did not have any long term contracts including derivatives contracts as at March 31, 2020 for which there were any material foreseeable losses– Refer note 35 to the consolidated financial statements.
 - c) During the year ended March 31, 2020, there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India.
- C. With respect to the matter to be included in the Auditor's report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid during the current year by the Holding Company to its directors is in accordance with the provisions of Section 197 of the Act. Further, based on the report of the statutory auditors of the subsidiary company, incorporated in India namely Verifacts Services Private Limited, which was not audited by us, the said subsidiary company has not paid any remuneration to its directors during the year, hence the provisions of section 197 of the Act is not applicable.

UDIN: 20048725AAAACK2541

Place: Mumbai

Date: June 29, 2020

Annexure 'A' referred in the Independent Auditor's Report of even date to the members of Modern India Limited on the consolidated financial statements for the year ended March 31, 2020

Report on the internal financial controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

In conjunction with our audit of the consolidated financial statements of **Modern India Limited** (hereinafter referred to as "the Holding Company") as of and for the year ended March 31, 2020, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which is its subsidiary company, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment,

Annexure 'A' referred in the Independent Auditor's Report of even date to the members of Modern India Limited on the consolidated financial statements for the year ended March 31, 2020

Report on the internal financial controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

In conjunction with our audit of the consolidated financial statements of **Modern India Limited** (hereinafter referred to as "the Holding Company") as of and for the year ended March 31, 2020, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which is its subsidiary company, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment,

including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's and its subsidiary company, which is incorporated in India, internal financial controls over financial reporting.

Meaning of Internal Financial controls with Reference to Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company, which is incorporated in India, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at March 31, 2020, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to consolidated financial statements insofar as it relates to a subsidiary company, which is a company incorporated in India, is based on the corresponding report of the auditors of such company incorporated in India.

Our opinion is not modified in respect of this matter.

Modern India Limited

Notes to the Consolidated Financial Statements for the year ended March 31, 2020

Note :- 1.1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

1. COMPANY INFORMATION:

The Consolidated financial statements comprise financial statements of Modern India Limited (the Parent), its wholly owned subsidiaries - Modern International (Asia) Limited (MIAL) and Verifacts Services Private Limited (VSPL) (collectively, the Group) for the year ended 31st March, 2020.

The parent is a public limited Company domiciled in India and is incorporated under the provisions of the Companies Act, applicable in India. The Registered of the Company and its principal place of business is located at 1, Mittal Chambers, 228, Nariman Point, Mumbai - 400 021. The parent is listed on Bombay Stock Exchange (BSE). The group is operating in Real Estate, Trading, Renewable Energy, Back ground verification and allied services.

The financial statements of the Company for the year ended 31st March, 2020 were approved for issue in accordance with a resolution of the Board of Directors on 29th June, 2020.

2 SIGNIFICANT ACCOUNTING POLICIES:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements ("financial statements"). These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 (a) Statement of Compliance

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

(b) Basis of Preparation

These consolidated financial statements have been prepared in accordance with the historical cost basis, except as disclosed in the accounting policies below, and are drawn up in accordance with the provisions of the Companies Act, 2013 and Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015], Companies (Indian Accounting Standards) Amendment Rules, 2016 and other relevant provisions of the Companies Act 2013 (the Act).

The Consolidated financial statements are presented in INR and all values are rounded to the nearest Lakhs (INR 00,000), except when otherwise indicated.

(c) Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries. Control is achieved when the company has:

Power over the investee

Has exposed or has rights to variable returns from its involvement with the investee, and

Has the ability to use its power over the investee to effect its returns

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

In case of MIAL, which is located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in that country. The Holding Company's management has converted the financial statements of the said subsidiary located outside India from accounting principles generally accepted in that country to accounting principles generally accepted in India and applied the same policies applicable to the Holding Company.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Parent company, i.e., year ended on 31st March.

Consolidation procedure:

(i) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the Parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date.

(ii) Offset (eliminate) the carrying amount of the Parent's investment in each subsidiary and the Parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.

(iii) Eliminate in full intra group assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intra group transactions that are recognized in assets, such as inventory and fixed assets, are eliminated in full).

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the Company and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

The excess of cost to the Company, of its investments in the subsidiaries over the Company's portion of equity is recognized as Goodwill in these consolidated financial statements.

Non controlling interest in the assets of Group consists of the amount of equity attributable to minorities at the date on which investments in a subsidiary is made. Non controlling interest in net profit / loss for the year of the consolidated subsidiaries is identified and adjusted against the profit after tax of the consolidated entity.

(iv) Financial statements of Foreign Subsidiary which is considered as non - integral entity has been converted in Indian Rupees at the following Exchange Rate.

- Revenues and Expenses: At the average exchange rate during the year.
- Current Assets and Current Liabilities: At Exchange Rate prevailing at the end of the year.
- Fixed Assets : At Exchange rate prevailing at the end of the year.
- Any exchange difference arising on consolidation is recognized in other comprehensive income

Effective April 1, 2018 the Group has adopted Appendix B to Ind AS 21- Foreign Currency Transactions and Advance Consideration which clarifies the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income when an entity has received or paid advance consideration in a foreign currency. The effect on account of adoption of this amendment was insignificant.

2.2 Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle (not exceeding twelve months) and other criteria set out in the Schedule III to the Act.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

2.3 Key Accounting Estimates and Judgements:

The preparation of consolidated financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that effect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgements based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognized prospectively.

Information about critical judgements in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- (a) Measurement of defined benefit obligations - Note 29
- (b) Measurement and likelihood of occurrence of provisions and contingencies - Note 27
- (c) Recognition of deferred Tax Assets / Liabilities - Note 25
- (d) Key assumptions used in discounted cash flow projections
- (e) Impairment of Assets
- (f) Impairment of Intangibles
- (g) Key assumptions used in repayment of deposits - Note 15(a)

2.4 SIGNIFICANT ACCOUNTING POLICIES:

(a) Property, Plant & Equipment:

Property, Plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of Property, Plant and Equipment are recognized in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of the Balance Sheet are disclosed as "Capital Work-in-progress".

Depreciation is provided on a pro-rata basis on the Written Down Value method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013 with the exception of the following:

(i) Some of Plant and equipment of Renewable Energy are depreciated over 20 years based on the manufacturers warranty and evaluation done by the management.

(ii) Assets costing Rs. 5,000/- or less are fully depreciated in the year of purchase.

Freehold Land is not depreciated / amortized.

The estimated useful lives, residual values and method of depreciation of property, plant and equipment is reviewed at each financial year end taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

(b) Investment Property:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Group, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Investment properties are depreciated using the straight line method over their estimated useful lives which is 60 years.

(c) Intangible Assets:

Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment loss, if

Amortization

Intangible assets comprise of Brands / Trademarks and Computer Software. Intangible assets are amortized over the useful life of 3 years. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

In case of VSPL, Trade logo are amortized on a straight line basis and the computer software on written down value method over the estimated useful economic life. The Company uses a rebuttable presumption that the useful economic life of an intangible asset will not exceed 3 years from the date when the asset is available for use. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

(d) Impairment of assets:

Intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

In case of VSPL which bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

(e) Revenue recognition:

Revenue is recognized when it is probable that economic benefits associated with a transaction flows to the Group in the ordinary course of its activities and the amount of revenue can be measured reliably regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment excluding taxes or duties collected on behalf of the government net of returns, trade discounts and volume rebates allowed by the Group.

Revenue includes only the gross inflows of economic benefits, received and receivable by the Group, on its own account. Amounts collected on behalf of third parties such as sales tax and value added tax are excluded from revenue.

Revenues in excess of invoicing are classified as contract assets (which we refer as unbilled revenue) while invoicing in excess of revenues are classified as contract liabilities (which we refer to as unearned revenues).

Sale of products:

Revenue from the sale of products is recognized when the Group transfers all significant risks and rewards of ownership of the goods to the buyer, while the Group retains neither continuing managerial involvement nor effective control over the products sold. Revenue from Renewable Energy Generation is recognized at the time of supply of electricity to the Contracted Customer. Revenue from Renewable Energy Certificates is recognized at the time of Sale.

In case of subsidiary, revenue from trading is recognized when goods are delivered to customers which are taken to the point in time when the customer has accepted the goods and the related risk of ownership.

Sales of flats

Sales of flats are accounted at contracted rate on handing over the possession.

Rendering of services:

Revenue from services is recognized when the stage of completion can be measured reliably. Stage of completion is measured by the services performed till Balance Sheet date as a percentage of total services contracted. Revenue is recorded exclusive of taxes.

All income arising from Back Ground Verification service to various IT and non IT sectors and interest earning on deposits is accounted on accrual basis.

Commission income is recognized when the related services are rendered and an invoice issued.

Interest and dividends:

Interest income from debt instruments is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

(f) Inventories:

Inventories are valued as under:

- (i) Trading Goods : At lower of Cost and Net Realizable Value
- (ii) Stores / Consumables : At lower of Cost and Net Realizable Value
- (iii) Real Estate Business:
 - (a) Land & Structures : At lower of Book and Net Realizable Value
 - (b) Land & Structures - Acquired : At lower of Cost and Net Realizable Value
 - (c) Land : At lower of Book and Net Realizable Value
- (iv) Renewable Energy Certificates : At Net Realizable Value

Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are 'First-in-First-out'. Due allowance is estimated and made for defective and obsolete items, wherever necessary. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

(g) Trade Receivables:

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method less provision for impairment.

(h) Cash and Cash equivalents:

Cash and Cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. These do not include bank balances earmarked/restricted for specific purposes.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

(i) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(A) Financial Assets:**Initial recognition and measurement**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame are recognized on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent measurement:**Subsequent measurement**

For purposes of subsequent measurement, financial assets are classified in following categories based on business model of the entity:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through profit and loss (FVTPL)

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. The Group has elected to measure debt instruments at amortized cost.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method. The Group has not designated any debt instrument as at FVOCI.

Debt instrument at FVTPL

Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L. The Group has not designated any debt instrument as at FVTPL.

Equity investments (Other than investment in subsidiary)

The Group subsequently measures all equity investments at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments continue to be recognized in profit or loss as other income when the Group's right to receive payments is established. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Changes in the fair value of financial assets at fair value through profit or loss are recognized in other income in the statement of profit and loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L. The Group has elected to measure equity instruments at FVTPL.

Investments in Mutual Funds

Investments in mutual funds are measured at fair value through profit or loss (FVTPL).

Derecognition:

A financial asset is de-recognized only when

- The Group has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Group has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognized if the Group has not retained control of the financial asset.

Where the Group retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of Impairment loss on the following financial assets:

A. Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 115

The Group follows 'simplified approach' for recognition of impairment loss allowance on:

Trade receivables or contract revenue receivables; &

All lease receivables resulting from transactions within the scope of Ind AS 17

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L).

In case of Verifacts Services Pvt. Ltd., - In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

(B) Financial Liabilities

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement

Financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the statement of profit and loss.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial period which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

(i) Fair Value:

The Group measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the assets or liabilities, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

(k) Leases

As a lessee

The Group adopted Ind AS 116 with effect from 1st April, 2019 i.e. no change to prior period financial statements and has applied the standard to contracts or arrangements that were previously identified as leases applying Ind AS 17. The Ministry of Corporate Affairs has notified Indian Accounting Standard 116 ("Ind AS 116"), Leases, with effect from 1st April, 2019. The Standard primarily requires the Group, as a lessee, to recognize, at the commencement of the lease a right-to-use asset and a lease liability (representing present Value of unpaid lease payments). Such right-to-use assets are subsequently depreciated and the lease liability reduced when paid, with the interest on the lease liability being recognized as finance costs, subject to certain remeasurement adjustments. As permitted by the standard, the Group has elected to apply this standard to its leases w.e.f. 1st April, 2019 and comparatives for the previous period / year have not been restated.

At the commencement date of a lease, the Group recognizes a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Right-of-use assets are measured at cost, less any accumulated depreciation, impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized and lease payments made at or before the commencement date. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

The Group recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification or a change in the lease term. The Group separately recognizes the interest expense on the lease liability as finance cost and the depreciation expense on the right-of-use asset.

As a lessor

Lease income from operating leases where the Group is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

(l) Foreign Currency Translation and Transactions

(i) Functional and presentation currency

Items included in the financial statements of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian currency (INR), which is the Group's functional and presentation currency

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the period end exchange rates are recognized in profit or loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognized in profit or loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognized in other comprehensive income.

(m) Dividend

Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

(n) Income Taxes

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realized.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

(o) Provisions and Contingent Liabilities and contingent Assets

The Group recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

(p) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave which is expected to be utilized within next twelve months, are treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Remeasurement as a result of experience adjustments and changes in actuarial assumptions are recognized in the Statement of Profit and Loss.

(iii) Post-employment obligations

The Group operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognized in the balance sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Defined Contribution Plans

Contributions to defined contribution schemes such as employees' state insurance and labour welfare fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Group's provident fund contribution is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Group has no further defined obligations beyond the monthly contributions.

Termination benefits

Termination benefits are recognized as an expense in the period in which they are incurred.

(q) Borrowings:

Borrowings are initially recognized at net of transaction costs incurred and measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, if any. All other borrowing costs are expensed in the period in which they occur.

(r) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM is responsible for allocating resources and assessing performance of the operating segments of the Group. The group has identified the following segments : (a) Trading, (b) Real Estate, (c) Background Check Services and (d) Renewable Energy.

(s) Cash Flow Statement

Cash flows are reported using the indirect method. The cash flows from operating, investing and financing activities of the Group are segregated.

(t) Business combinations**Business Combination under Common control**

A business combination involving entities or businesses under common control is a business combination in which all of the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination and the control is not transitory. The transactions between entities under common control are specifically covered by Appendix C to Ind AS 103 and are accounted for using the pooling-of-interest method as follows:

- The assets and liabilities of the combining entities are reflected at the carrying amounts.
- No adjustments are made to reflect fair values, or recognize new assets or liabilities. Adjustments are made to harmonize significant accounting policies.
- The financial information in the financial statements in respect of prior periods is restated as if the business combination has occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination.

The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee. The identity of the reserves is preserved and the reserves of the transferor become the reserves of the transferee.

The difference, if any, between the investment in the financial statements of the Transferee Group in the Transferor Companies and the amount of paid-up share capital of the Transferor Companies respectively, is adjusted against the Capital Reserves and will be transferred to Common Control Transactions Capital Reserve (separately from other capital reserves).

(u) Earnings Per Share (EPS):

Basic Earnings per share amounts are calculated by dividing the profit / (loss) for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

(v) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis to realize the assets and settle the liabilities simultaneously.

(w) Events after Reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

(i) In respect of the Holding Company, an amount of ₹ 1,348.48 Lakhs (Net of ₹ 104.64 Lakhs recovered till date) is outstanding as receivable in respect of Commodities Trading Transactions done on National Spot Exchange Limited (NSEL). The Company has filed a representative suit in the Hon'ble Bombay High Court for recovery of the same. Ministry of Corporate Affairs (MCA) had ordered merger of 63 Moons Technologies Limited with NSEL which has been set aside by the Hon'ble Supreme Court of India. In the meanwhile various decrees have been passed by the High Court of Bombay against defaulters, including sale of commodities and assets is also in process. Various agencies including Economic Offence Wing and Enforcement Directorate are also in process of liquidating assets of defaulters. However considering uncertainties involved in making any reliable estimate of amount recoverable, provision if any will be considered at an appropriate time on the basis of resultant outcome. Until then the dues are considered as good.

(ii) No Trade or other receivables are due from directors or other officers of the Company either severally or jointly with any other person. Nor any trade or other receivable are due from firms or private companies respectively in which any director is a partner, a director or a member. Trade Receivable are generally non interest bearing and are generally on terms of 0 to 60 days of credit period.

Shares Issued during the year	-	-	-	-
Shares bought back during the year	-	-	-	-
Shares outstanding at the end of the year	375.43	750.86	375.43	750.86

- (b) **Terms / Rights attached to Equity Shares:**

The Company has only one class of Equity Shares having a par value of ₹ 2/- per Share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian Rupees and every equity share is entitled to the same rate of dividend. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. In the event of liquidation of the Company, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts in proportion to their shareholding.

The Board of Directors in the meeting on May 30, 2019, proposed a final dividend of ₹ 0.24 per equity shares for the Financial Year ended March 31, 2019 which has been approved by the shareholders at the Annual General Meeting held on 27th September, 2019. The dividend paid during the year ended March 31, 2020 amounts to ₹ 90.10 Lakhs plus dividend distribution tax of ₹ 14.62 Lakhs (Net of credit in respect of taxes paid under section 115 - O of the Income Tax Act, 1961 on dividend received from subsidiary Company).

The Board of Directors, in their meeting on June 29, 2020 have not proposed any dividend.

- (c) The Company has not issued any equity shares as bonus or for consideration other than cash and has not bought back any shares during the period of five years immediately preceding March 31, 2020.

(d) **Details of shareholders holding more than 5% of the aggregate shares in the Company:**

As these employee benefits are lump sum amounts provided on the basis of actuarial valuation, the same is not included above. The same are included as and when paid.

The remuneration of directors and key executives is determined by the remuneration committee having regard to the performance of individuals.

Modern India Limited**Notes to the Consolidated Financial Statements for the year ended March 31, 2020****Note No. 32 :- Financial Instruments and Risk Review****Financial risk management**

The Group's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Group's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Group's senior management has the overall responsibility for the establishment and oversight of the Group's risk management framework.

(A) (i) Market Risk- Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Group's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

According to the Group interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

(₹ in Lakhs)

Exposure to interest rate risk

Particulars	As at 31 March, 2020	As at 31st March, 2019
Total Borrowings	1,797.37	1,077.92
% of Borrowings out of above bearing variable rate of interest	90.14	85.29

Interest rate sensitivity

A change of 50 bps in interest rates would have following Impact on loss before tax

	2019-20	2018-19
50 bp increase would increase the loss before tax by	8.99	5.39
50 bp decrease would decrease the loss before tax by	8.99	5.39

(ii) Market Risk- Price Risk**Exposure**

The Group's exposure to equity securities price risk arises from investments held by the Group and classified in the balance sheet at fair value through profit and loss. To manage its price risk arising from investments in equity securities, the Group diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Group.

Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Group's investment in quoted equity shares and units of mutual funds and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5 % or decreased by 5 % with all other variables held constant, and that all the Group's equity instruments and units of mutual funds moved in line with the index.

Impact on loss before tax on account of quoted equity shares

Particulars	As at 31st March, 2020	As at 31st March, 2019
Increase 5%	59.16	79.63
Decrease 5%	-59.16	-79.63
Impact on loss before tax on account of units of mutual funds		
Increase 5%	222.04	204.80
Decrease 5%	-222.04	-204.80

Above referred sensitivity pertains to quoted equity investment and units of mutual funds. Loss for the year would increase/ (decrease) as a result of gains/ losses on equity investments and units of mutual funds as at fair value through profit or loss.

(B) CREDIT RISK

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Group. Where loans or receivables have been written off, the Group continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

Trade receivables are in respect of Trading activity. On-going credit evaluation is performed on the financial condition of accounts receivable. [also refer note 9 (i)]

The credit risk on liquid funds is limited because the counterparties are mutual funds with high credit-ratings assigned by credit-agencies.

In addition, the Group is exposed to credit risk in relation to guarantee given to Indian Overseas Bank on behalf of Wholly Owned Subsidiary Company. The Group's maximum exposure in this respect is the maximum amount the Group could have to pay if the guarantee is called on. As at 31 March 2020, an amount of ` 3,768.38 Lakhs (31 March 2019: ` 3,460.00 Lakhs) has been disclosed as contingent liabilities. The Group does not expect any outflow of resources in respect of the above.

Ageing of Trade receivables (net of provisions)

Particulars	As at 31st March, 2020	As at 31st March, 2019
Not due		
0 to 3 months	3,440.38	3,122.02
3 to 6 months	40.88	25.03
6 to 12 months	20.48	-
beyond 12 months	1,360.56	1,348.48

Less:- Provision write off		-
Less:- Provision reversed		-
Closing provisions	192.81	192.80

Movement in provisions of doubtful advances

Particulars	As at 31st March, 2020	As at 31st March, 2019
Opening provision	205.55	175.55
Add:- Provision made during the year	476.22	30.00
Less:- Provision write off	-	-
Less:- Provision reversed	-20.00	-
Closing provisions	661.77	205.55

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the management in accordance with the Group's policy. Counterparty credit limits are reviewed by the management on an annual basis, and may be updated throughout the year. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

(C) LIQUIDITY RISK

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Group treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Group's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

Maturity pattern of Borrowings

Particulars	0-1 years	1-5 years	beyond 5 years	Total

Total	14,847.33	2,137.51	12,709.82	14,847.33

(D) CAPITAL RISK MANAGEMENT

The Group's objective to manage its capital is to ensure continuity of business while at the same time provide reasonable returns to its various stakeholders but keep associated costs under control. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account capital expenditure and strategic investments. Apart from internal accrual, sourcing of capital is done through borrowing, both short term and long term.

The Board of Directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position.

Dividend	As at 31st March, 2020	As at 31st March, 2019
Equity shares		
Final dividend for the year ended 31st March, 2019 of ` 0.24 (31st March, 2018 : ` 0.30) per fully paid share	90.10	112.63
Dividends not recognized at the end of the reporting period		
Board of Directors in their meeting held on June 29, 2020 have not recommended any dividend.	-	90.10

Debt Equity Ratio

The Group monitors capital using a ratio of 'adjusted net debt' to 'total equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings, less cash and cash equivalents, other bank balances and current investments.

Particulars	March 31, 2020	March 31, 2019
Borrowings	1,797.37	1,077.92

Modern India Limited**Consolidated notes to the standalone financial statements for the year ended March 31, 2020****Note No. 34 :-**

In the opinion of the Board of respective Company, current assets, loans and advances are approximately of the value stated, if realized in the ordinary course of business.

Note No. 35 :-

In accordance with the relevant provisions of the Companies Act, 2013, the Group did not have any long term contracts including derivatives contracts for which there were any material foreseeable losses.

Note No. 36 :-

(i) The Group is in the process of taking over development project of Bikaner property under Joint Development basis with Nine Globe Industries Pvt. Ltd and accordingly advance given of ` 476.22 Lakhs (Previous Year ` 476.22 Lakhs) to Nine Globe Industries Pvt. Ltd will be adjusted against value of project to be taken over. However on conservative basis provision for the same is made during the year.

(ii) Loans and advances given by erstwhile subsidiary Group - MIPDL of ` 145.58 Lakhs due from Kamla Shiv Developers given as advance against property. Erstwhile MIPDL had filed a complaint with Economic Offence Wing (EOW) for recoverability of advance given to Kamla Shiv Developers against booking of property. Necessary provision had been made against the same.

Note No. 37

The Ministry of Corporate Affairs has notified Indian Accounting Standard 116 ("Ind AS 116"), Leases, with effect from 1st April, 2019. The Standard primarily requires the Group, as a lessee, to recognize, at the commencement of the lease a right-to-use asset and a lease liability (representing present Value of unpaid lease payments). Such right-to-use assets are subsequently depreciated and the lease liability reduced when paid, with the interest on the lease liability being recognized as finance costs, subject to certain remeasurement adjustments. As permitted by the standard, the Group has elected to apply this standard to its leases w.e.f. 1st April, 2019 and comparatives for the previous year have not been restated. The effect of this adoption is insignificant on the Loss for the year. The net assets (PPE) and net liabilities as at March 31, 2020 have increased by ` 916.54 Lakhs and ` 959.47 Lakhs respectively.

Note No. 38

The outbreak of Covid-19 pandemic is causing significant disturbance and slowdown of economic activities globally. The nationwide lockdown ordered by the Government of India has resulted in significant reduction in economic activities and also the business operations of the Group in terms of trading sales, real estate, solar power generation and background check services however the Group is of the view that there is no significant impact on the financial performance of the Group for the year ended March 31, 2020. Further, as at March 31, 2020, the Group expects to fully recover the carrying amount of its assets and liabilities. Based on the current indicators of future economic conditions, the management expects to recover the carrying amount of the assets. However, due to the uncertainties associated with the pandemic, the actual impact may not be in line with current estimates. The management will continue to closely monitor any material changes based on future economic conditions. Given the uncertainties, the final impact on Group's operating results, financial condition and cash flows cannot be predicted at this time and in future may differ from that estimated as at the date of approval of these financial statements. Further, the impact assessment does not indicate any adverse impact on the ability of the Group to continue as a going concern.

Note No. 39

Previous year's figures have been regrouped / reclassified / restated wherever necessary to correspond with the current years' classification/disclosure.

Note No. 40 :- Net Debt Reconciliation

MODERN[®] INDIA LTD

Evolution is the name of game.

*This mark symbolically represents the very nature
of development, which is in the form of swirls,
the colour adding meaning to the form.*

*Orange and Yellow are vibrant and successive,
depicting a sequence, a process.*
